The Holy Hand Grenade Thomas J. Gilroy, 2013-05 Have you been thwarted in your quest to find your life's passion? Has something or someone (maybe even yourself) blocked you from discovering: who you really are? your gift? what you seek? Then you need The Holy Hand Grenade. Napoleon Hill said, Desire is the starting point of all achievement. Solomon said, Hope deferred makes the heart grow sick, but desire fulfilled is a tree of life. Yet many people go through life with no real hope, desire, or passion and have hearts that are sick. It doesn't have to be that way. Jesus said, I came that you may have life, and have it abundantly. Don't you want an abundant life? Many books have tackled different aspects of who you are, what your gift is, and what you seek, but none has really covered them completely enough to help you ... until now! The Holy Hand Grenade is not just good information, but real answers and applications for what you really want, REALLY! If desire, passion, and purpose are what you need, then The Holy Hand Grenade belongs in your arsenal.

No Longer a Child Dixie Yoder, 2010-04 Would you expect a child to understand what it means to be a grown-up? No, but newborn Christians get the message that as soon as they become a Christian they should instantly be mature in their faith. That's ludicrous! New Christians need proper guidance to become mature believers. Dr. Dixie Yoder addresses the urgent need for instruction in *No Longer a Child: Essential Insights for the Growing Christian*, which is a practical guide for those seeking the freedom and excitement of spiritual adulthood as they learn to receive the love of God and love Him in return. This book includes: • Insightful stories • Counseling techniques • Bible application • Journaling opportunities

George Clooney's Haircut and Other Cries for Help Richard Glover, 2013-07-01 'Full-on, uncontrollable, laugh-till-you-weep stories. Glover has become the indispensable chronicler of Australian family life' Geraldine Brooks Richard Glover's deeply skewed stories of everyday life are heard each week on ABC radio's 'thank God It's Friday'. He creates a world which is both weird and wry-a world in which Henry VIII provides marriage advice, JD Salinger celebrates tap-water and naked French women bring forth a medical miracle. It's also a world in which shampoo is eschewed, the second-rate is praised and George Clooney's haircut can help save a relationship. Bizarre yet commonplace, funny yet relatable, absurd yet oddly warm-hearted, in Richard Glover's hands you'll experience the true strangeness of the life you are living right now. INCLUDES: the Bin-It List: 25 things to avoid before you die. Warning: Until you know how Glover's writing affects you, do not read in public. Noisy, convulsive laughter and uncontrollable hilarity among probable side effects... Geraldine Brooks Like an Australian Seinfeld, Richard has the great gift of highlighting the ridiculous nature of human beings, and finding delight in this crazy thing the rest of us call life.
