

1 Corinthians 8 1

Tobias Bleicker

Rhetorical Interaction in 1 Corinthians 8 and 10 Yeo,2021-09-06 Rhetorical Interaction in 1 Corinthians 8 and 10 is a formal analysis of Paul's rhetorical interaction with the Corinthians over the issues of participation in the cultic meal (1 Cor. 10:1-22) and the eating of idol food (1 Cor. 8:1-13, 10:23-11:1). The thesis is that Paul's theology and rhetoric are predicated on knowledge and love. Major portions of the book employ rhetorical, sociological, archaeological, and historical-critical approaches to examine the triangular interaction between Paul, the Corinthians, and the biblical texts, paying particular attention to the complex configuration of the Corinthian congregation, including the influence of proto-Gnosticism, as well as the ways Paul responded to the shifting situation and different issues. The two chapters on rhetorical-hermeneutical theory and criticism are especially creative as the author suggests a Chinese hermeneutic for cross-cultural dialogues, the issue of ancestor worship being a specific example.

The Pauline Christology of 1 Corinthians 8:6 Emad Atef Ezzat Hanna,2023-07-27 This thesis aims to investigate the Christology presented in 1 Cor. 8:6, as it is one of the most important christological texts in the New Testament, and to do this against the backdrop of the modern scholarly discussion about New Testament Christology. The present thesis argues that divine Christology in this text is the essential component for our understanding of the Pauline Christology and the earliest Christology of early Christians.
