A New Theist Response to the New Atheists Kevin Vallier, Joshua Rasmussen, 2019-11-11 In response to the intellectual movement of New Atheism, this volume articulates a New Theist response that has at its core a desire to engage in productive and depolarizing dialogue. To ensure this book is of interest to atheists and theists alike, a team of experts in the field of philosophy of religion offer an assessment of the strongest New Atheist arguments. The chapters address the most pertinent questions about God, including politics and morality, and each essay shows how a reflective theist might deal with points raised by the New Atheists. This volume is a serious academic engagement with the questions asked by New Atheism. As such, it will be of significant interest to scholars working in the philosophy of religion and theology, as well as those engaged in religious studies generally.
