

A Lesson In Vengeance

John Heyl Vincent, Jesse Lyman Hurlbut

A Lesson in Vengeance Victoria Lee, 2021-08-03 A dark, twisty thriller about a centuries-old, ivy-covered boarding school haunted by its history of witchcraft and two girls dangerously close to digging up the past. The dangerous romance and atmospheric setting makes it a perfect read for fans of dark academia. Felicity Morrow is back at the Dalloway School. Perched in the Catskill Mountains, the centuries-old, ivy-covered campus was home until the tragic death of her girlfriend. Now, after a year away, she's returned to finish high school. She even has her old room in Godwin House, the exclusive dormitory rumored to be haunted by the spirits of five Dalloway students—girls some say were witches. The Dalloway Five all died mysteriously, one after another, right on Godwin grounds. Witchcraft is woven into Dalloway's past. The school doesn't talk about it, but the students do. In secret rooms and shadowy corners, girls convene. And before her girlfriend died, Felicity was drawn to the dark. She's determined to leave that behind now, but it's hard when Dalloway's occult history is everywhere. And when the new girl won't let her forget. It's Ellis Haley's first year at Dalloway, and she has already amassed a loyal following. A prodigy novelist at seventeen, Ellis is a so-called method writer. She's eccentric and brilliant, and Felicity can't shake the pull she feels to her. So when Ellis asks Felicity to help her research the Dalloway Five for her second book, Felicity can't say no. Given her history with the arcane, Felicity is the perfect resource. And when history begins to repeat itself, Felicity will have to face the darkness in Dalloway—and herself.

The Journey Toward Ariel Nancy Duvall Hargrove, 1994 This study of Plath's early poetry makes a number of contributions to Plath scholarship. First, it establishes a more accurate chronology for the composition dates of these poems, correcting many of the errors in dating in the order presented in *The Collected Poems of Sylvia Plath*. Further, based on this revised chronology, it traces Plath's development as a poet in these crucial years through a close examination of the poems. For many of these poems, the book gives new or alternative readings; for poems which may have been ignored previously, it offers first-time readings, thereby filling a gap in Plath studies. Finally, it contains reproductions of the paintings which serve as subjects of ten poems and reproductions of some of Plath's own sketches depicting scenes in a number of poems, as well as photographs of settings on which various poems are based.
