Dream Wild Jennifer LeClaire, 2018 WE ARE CAUGHT UP IN THE RAT RACE. We're stuck in the day-in and day-out mundanity of life. But God wants us to dream with Him. He gives us the desires of our hearts, and He wants us to build ourselves up in our faith and pursue those dreams. The enemy comes with doubt, unbelief, religious thinking, and other obstacles to combat our dreams. Ward off spiritual attack and achieve your dreams with a prayer action plan. After receiving one wild prophecy, prophetess Jennifer LeClaire was inspired to chase after the God of her dreams—the One who ultimately makes all dreams come true. Dream Wild will set a Holy Ghost fire under people to pursue God of the desires He put in their hearts. Each chapter begins with a short prophetic word, and the book includes stories of inspiration, overcoming challenges, gaining victory, and experiencing God's power as they relate to building one's faith to dream.

Practical and Inspirational Guidelines for Winning J. David Irwin, 2021-05-27 This book contains a compilation of lessons learned over a lifetime of study in the school of hard knocks through a wide spectrum of activities that range from family interactions on the one hand to complex business/professional involvements on the other. As a result, numerous personal examples, coupled with biblically and spiritually based inspirational material, are provided that serve to illustrate the ideas and concepts that have been applied to achieve a winning outcome in these environments. Within the context of this book, winning refers to the attainment of a successful outcome, regardless of the context, and although many of the concepts and ideas discussed will be confined primarily to the interpersonal relationships among individuals and presented in the

framework of a business or family environment, they are also applicable when dealing with members of a civic organization, a church group, a professional organization, or any other group where people interact or work together for some common goal. Although the achievement of successful personal interactions in any endeavor can be difficult and the optimum path unknown, when the effort is systematically performed in concert with Almighty God, winning can become a way of life.

Food Shaman Michael S. Fenster, MD,2018-06-12 Food—We all need it and we all want it. We want it delicious, and ideally not toxic. But how the heck do we make sense of the choices paraded before us, when the so-called experts can't agree and the guidelines change from day to day? Recommendations based on simple, sterile laboratory analysis of one nutrient, one effect, have no place in the pantheon of science... nor the pantry of any respectable chef. Michael S. Fenster, MD, interventional cardiologist, and professional chef, separates fact from fiction and wheat from chaff. Invoking the power of the total Food Experience that every chef and food lover understands, he helps diners focus on what they're eating in a powerful explosion of ceremony and substance. As the Food Shaman, Chef Dr. Mike combines modern knowledge from a variety of disciplines with the ancient ritual of the first chefs and healers: the shaman. The result is a quantum leap in understanding the power of the Food Experience, and why it must nurture our soul through delightful tastes and textures beyond basic nutrition.

Fail Better Herter Studio, 2006-04-04 In our rush to succeed, few of us see the merit in failure. This little gem of a book helps introduce perspective in our lives by reminding us that unaccepted failure is just a step toward success. Motivational quotes that inspire readers toward action are paired with real life tales of failure followed by persistence and eventual triumph. Did you know: Michael Jordan failed to make his high school varsity basketball team. Albert Einstein's teacher described him as mentally slow, unsociable, and adrift forever in his foolish dreams. An MGM executive described Fred Astaire as, Can't act. Can't sing. Slightly bald. Winston Churchill lost every election for public office until he became Prime Minister of England at the age of 62. Walt Disney went bankrupt several times. Fail Better is the perfect antidote to the disappointment that follows our failures. It gives graduates a healthy dose of post-graduate perspective; provides a pick-me-up for workers who feel a little low on the totem pole; and comforts aspiring artists who, like Vincent Van Gogh, might have only sold one painting in their lifetime.
