**Shawn Lantz**

**Are We There Yet, Daddy?** Virginia Walters, 2002-04-15 On a hundred-mile car trip to Grandma's house, a father and son travel from the city to the country. Every ten miles the son asks, Are we there yet, Daddy? and is told to consult the map. A gatefold map, as well as a map on each page, will allow young readers to follow the father and son's route and to count down the miles left in their journey.

Are We There Yet? Roberta Austin, 2020-02-05 Are we there yet? The answer should always be Yes! because the stated destination is a small part of the trip. Wherever we are, there is much to see and do and learn. We are always there. Such it is with life. The author has written about being there for almost nine exciting decades from 1930 to 2020.

A to Zoo Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times, program and curriculum planning, readers' advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services, and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply, with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive (as opposed to formal catalog) subject terms to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons, or to design thematic programs and story times. Title and illustrator indexes, in addition to a bibliographic guide arranged alphabetically by author name, further extend access to titles.

*How to Cook Your Daughter* Jessica Hendra, 2009-10-06 From the daughter of the bestselling author of *Father Joe*: the poignant and ultimately hopeful memoir of a young girl's struggle to live a normal childhood in the chaotic seventies, and to overcome sexual abuse by her famous father Earlier this year, Tony Hendra's memoir, *Father Joe: The Man Who Saved My Soul*, spent thirteen weeks on the New York Times bestseller list. The book detailed his life as a comedian who launched the

careers of John Belushi and Chevy Chase and helped create such cult classics as *This Is Spinal Tap*, while he struggled with inner demons including alcohol and drug abuse. But there was a glaring omission in his supposed tell-all confessional: his sexual abuse of his daughter, Jessica Hendra, when she was a young girl. After more than thirty years of silence, Hendra has decided to reveal the truth. In this poignant memoir, she reveals the full story behind the New York Times article that rocked the world and detailed her father's crimes. But Jessica's story is no footnote to her father's story. *No One Was Listening* is also the inspiring story of her own journey, and how she was finally able to find healing within, after years of struggling with anorexia, bulimia, and low self-esteem. Set against the backdrop of the chaotic seventies, Hendra's memoir follows Jessica and her sister Kathy as they strove to make a normal life for themselves amidst the madness, sex, and drug abuse that her parents and their friends—many of the household names in the world of show business—participated in. *No One Was Listening* reveals the hope and heartache of a young girl who was faced with a loss of innocence at an early age, who faced a slow and painful recovery, and who finally found contentment and peace within.

The Work of Mercy Stephen Guppy, 2006-03-09 These nine stories from Stephen Guppy poignantly evoke the complex emotional terrain of children and teenagers from broken or dysfunctional families. These brilliantly conjured stories include a young Mormon girl from Utah and her mother who run away from the girl's stepfather only to drive into the radioactive dust cloud from an atomic bomb test. Two brothers in Edmonton disappear as their mother tries to protect them from a polio epidemic. A man recollects his disjointed childhood spent with a war bride mother as they shuttle back and forth across the west. Two twins blame their mentally challenged younger brother for their fragmented youth. A young man breaks with the hippie lifestyle of his parents only to discover that his wife is more comfortable with his counter-culture father than with him. A young boy struggles with his father's new girlfriend as her sons torment him and he reacts in an unexpected way. A frustrated daughter escapes her gambling family by cheating at cards. A lonely boy finds solace in fishing with his silent stepfather, and then years later repeats the experience with his own son. Each of these affecting stories reveals the fragility of childhood and family set against the treacherous and often incomprehensible backdrop of our volatile and dangerous world. Guppy is masterful in evoking the emotional charge of wounded youth.
