

Basilica Of Saint Pudentiana

Albert Stanburrough Cook

The Sacramentary Ildefonso Schuster, 1925

Honorius Chris Doyle, 2018-08-06 Honorius explores the personal life and tumultuous times of one of the last emperors of the Roman West. From his accession to the throne aged ten to his death at thirty-eight, Honorius' reign was blighted by a myriad of crises: military rebellions, political conspiracies, barbarian invasions, and sectarian controversies. The notorious sack of the city of Rome occurred on Honorius' watch, and much of the western empire was given over to anarchy and violence. This book should interest undergraduates, research students, and professional scholars. Given the enduring appeal of the fall of Rome and the collapse of western Roman civilization, the wider public should also find much of interest.

Saint Pudenziana's Basilica Stephen Merola, 2004

Saints In Rome and Beyond Daniel Thelen, 2015-03 Within Christian tradition the veneration of relics has happened quite naturally. From the first few moments of Christian history, as the three Marys looked on with surprise upon the empty tomb of Christ, to the most recent martyr, who in their own way suffers and joins him or herself to Christ's passion, the church has always shown a great desire to provide special dignity to the dead and proper veneration and respect for their remains. The Liturgy in a special way unites the most august celebration of the Eucharist with the memorials of the saints. This not only reflects the eternal union that Christ desires for each of us in heaven but it also expresses the incredible love that God has for his creation. This work attempts to tap into this marvelous reality. By focusing primarily upon the saints of the Roman Catholic Liturgical Calendar it is hoped that the pilgrim may in a unique way participate in the Divine Liturgy by visiting the shrines of the saints on their feast days.

The Roman Martyrs Michael Lapidge, 2018 The Roman Martyrs contains translations of forty Latin *passiones* of saints who were martyred in Rome or its near environs, during the period before the peace of the Church (c. 312). Some of the Roman martyrs are universally known-SS. Agnes, Sebastian or Laurence, for example-but others are scarcely recognized outside the ecclesiastical landscape of Rome itself. Each of the translated *passiones* is accompanied by an individual introduction and commentary; the translations are preceded by an Introduction which describes the principal features of this little-known genre of Christian literature, and are followed by five Appendices which present translated texts which are essential for understanding the cult of Roman martyrs. This volume offers the first collection of the Roman *passiones*

martyrum translated into a modern language. They were mostly composed during the period 425-675, by anonymous authors who were presumably clerics of the Roman churches or cemeteries which housed the martyrs' remains. It is clear that they were composed in response to the explosion of pilgrim traffic to martyrial shrines from the late fourth century onwards, at a time when authentic records (protocols) of their trials and executions had long since vanished, and the authors of the *passiones* were obliged to imagine the circumstances in which martyrs were tried and executed. The *passiones* are works of fiction; and because they abound in ludicrous errors of chronology, they have been largely ignored by historians of the early Church. Although they cannot be used as evidence for the original martyrdoms, they nevertheless allow a fascinating glimpse of the concerns which animated Christians during the period in question: for example, the preservation of virginity, or the ever-present threat posed by pagan practices. As certain aspects of Roman life will have changed little between the second century and the fifth, the *passiones* shed valuable light on many aspects of Roman society, not least the nature of a trial before an urban prefect, and the horrendous tortures which were a central feature of such trials. The *passiones* are an indispensable resource for understanding the topography of late antique Rome and its environs, as they characteristically contain detailed reference to the places where the martyrs were tried, executed, and buried.

The Irish Ecclesiastical Record, 1907

Walking Through Rome Margaret Varnell Clark, 2013-03-29 Rome covers 580 square miles, and even most residents haven't seen all that it has to offer. When you visit it, don't try to conquer the city; instead, concentrate on savoring it in bits and pieces. You'll be amazed by what's behind the facades and in the unseen corners of many sites in the Eternal City. Whether you're looking for a little-known work of Michelangelo tucked inside a parish church, or pre-Christian Roman households underneath grand cathedrals, Rome has it all. Walking through Rome goes beyond the basic travel guide, offering detailed information on churches that have been built, remodeled, and destroyed; historical notes, a time line of Roman history, and other handy references; and maps to help you enjoy your visit to the fullest. Wander around Rome and discover its hidden treasures and secrets. Pick the sites that appeal to you the most and start enjoying your Roman adventures from the Ancient Church of St. Mary at the Forum to Our Lady of Victory to St. Peter's Square and any numerous places in between. Margaret Varnell Clark, an award-winning journalist, takes you off the beaten path and provides historical information, interesting facts, and specifics so you can enjoy Walking through Rome.
