Memoirs of Napoleon Bonaparte Louis Antoine Fauvelet de Bourrienne,1839

The History of Napoleon Bonaparte (Volume I) John S. C Abbott,2000-03-02 This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Life of Napoleon Bonaparte Walter Scott,2025-03-29 Delve into the tumultuous era of Napoleon Bonaparte with Sir Walter Scott's comprehensive Life of Napoleon Bonaparte, Vol. 2. This meticulously researched historical biography provides a detailed account of Napoleon's life and times, set against the backdrop of the French Revolution and the Napoleonic Era. Scott, a master of historical narrative, explores the key events and figures that shaped French history during this pivotal period. Explore the military history of the time and gain insights into the strategies and campaigns that defined Napoleon's reign. This volume offers a valuable perspective on the complex political landscape of France and Europe during the late 18th and early 19th centuries. A timeless exploration of a defining figure in European history. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Napoleon Steven Englund,2010-05-11 This sophisticated and masterful biography, written by a respected French history scholar who has taught courses on Napoleon at the University of Paris, brings new and remarkable analysis to the study of modern history's most famous general and statesman. Since boyhood, Steven Englund has been fascinated by the unique force, personality, and political significance of Napoleon Bonaparte, who, in only a decade and a half, changed the face of Europe forever. In *Napoleon: A Political Life*, Englund harnesses his early passion and intellectual expertise to create a rich and full interpretation of a brilliant but flawed leader. Napoleon believed that war was a means to an end, not the end itself. With this in mind, Steven Englund focuses on the political, rather than the military or personal, aspects of Napoleon's notorious and celebrated life. Doing so permits him to arrive at some original conclusions. For example, where most biographers see this subject as a Corsican patriot who at first detested France, Englund sees a young officer deeply committed to a political event, idea, and opportunity (the French Revolution) -- not to any specific nationality. Indeed, Englund dissects carefully the political use Napoleon made, both as First Consul and as Emperor of the French, of patriotism, or nation-talk. As Englund charts Napoleon's dramatic rise and fall -- from his Corsican boyhood, his French education, his astonishing military victories and no less astonishing acts of reform as First Consul (1799-1804) to his controversial record as Emperor and, finally, to his exile and death -- he is at particular pains to explore the unprecedented power Napoleon maintained over the popular imagination. Alone among recent biographers, Englund includes a chapter that analyzes the Napoleonic legend over the course of the past two centuries, down to the present-day French Republic, which has its own profound ambivalences toward this man whom it is afraid to recognize yet cannot avoid. *Napoleon: A Political Life* presents new consideration of Napoleon's adolescent and adult writings, as well as a convincing argument against the recent theory

that the Emperor was poisoned at St. Helena. The book also offers an explanation of Napoleon's role as father of the modern in politics. What finally emerges from these pages is a vivid and sympathetic portrait that combines youthful enthusiasm and mature scholarly reflection. The result is already regarded by experts as the Napoleonic bicentennial's first major interpretation of this perennial subject.
