**My Identity** Luther Whitley,2020-07-08 Poems that will make you think As well as make you blink Poems about exciting people, places, and things! Poems that are sometimes serious, sometimes humorous, sometimes satirical, sometimes even educational. What is COVID-19? DWB is a very dangerous situation in the good old US of A. Retirement-Nothing to do is the lament of some people who say that retirement is boring. Almighty God Loves Poetry and how do we know? The Bible tells us so.

**The Book of Secrets** Osho,2012-05-15 The Book of Secrets is a step by step guide to find the best meditation suitable for you. 112 methods of meditation are described and introduced here with helpful background information to give contemporary people a door to meditation. Reading this book, not only will your outlook on life change, but so will your life. If you want to know more about life and yourself this is your book. Each chapter that focuses on describing specific meditation techniques is followed by a chapter of questions from those who were present during the talks. In most cases, their questions relate to the techniques given in the previous chapter. So, as you start to experiment with a technique, it will be helpful to look into these chapters for some extra hint, some greater depth of understanding, or response to a question that might have arisen for you in your experiments.

Behavioral Treatment for Substance Abuse in People with Serious and Persistent Mental Illness Alan S.

Bellack,2013-06-17 The correlation between schizophrenia and substance abuse in psychology is recognized as a growing issue, yet it is one that many practitioners are often ill-prepared to address. Behavioral Treatment for Substance Abuse in People with Serious and Persistent Mental Illness addresses the specific challenges faced by the clinician treating individuals with co-occurring schizophrenia and substance abuse disorders. Designed as a treatment manual for mental health professionals, the book incorporates various treatment components, from motivational interviewing and social skills training to education, problem solving, and relapse prevention. The book presents clearly established guidelines for these treatment modes and utilizes both case examples and fictional situations to present a practical, hands-on approach. Readers will profit directly from the lessons in the book, which offers the clinician an invaluable model from which to base a treatment plan.
