When Ryuuji is left to raise his son Shouji as a single father, Hanao steps up to help him out. At first, their family life is happy and content, but Hanao's true feelings for Ryuuji become more and more difficult for him to ignore. The pressure of staying closeted eventually becomes too much to bear; Hanao leaves, choosing to run from his feelings and his fears of somehow "messing up" Shouji's life when he starts getting teased at school for having two dads. Years later, when he comes home to care for his aging father and ends up advising Shouji on his blossoming relationship with Hama, Hanao realizes it's time to face his own past... and his future.

Call Me Daddy Jade West,2017-02-24 I want him to be my first.I want him to be the one.I want him to be my everything.I didn't expect to spend my eighteenth birthday stranded in the pouring rain with no way to make it home. I didn't expect to be rescued from the worst night of my life by the most amazing man I'd ever seen.His name is Nick, and he says he wants to take care of me, says he'll look after me, says I don't need to be alone anymore.He treats me like a princess, like the fragile little girl he saved from the cold. But I like him... I like him like that. I've never liked anyone like that before...And it's weird, this thing we have... It's like I can't decide how we're supposed to be... what we are... Until he says the words...Call me Daddy.

Operation Torch 1942 Brian Lane Herder, 2017-09-21 Following the raid on Pearl Harbor and the entry of the United States into World War II, President Franklin D. Roosevelt identified the European theatre as his country's priority. Their first joint operation with the British was an amphibious invasion of French North Africa, designed to relieve pressure on their new Soviet allies, eliminate the threat of the French navy joining the Germans, and to shore up the vulnerability of British imperial possessions and trade routes through the Mediterranean. Operation Torch was the largest and most complex amphibious invasion of its time. In November 1942, three landings took place simultaneously across the French North African coast in an ambitious attempt to trap and annihilate the Axis' North African armies between the invading forces under General Eisenhower and British Field-Marshal Montgomery's Eighth Army in Egypt. Using full colour artwork, maps and contemporary photographs, this is the thrilling story of this complex operation.

359th Fighter Group Jack H Smith, 2012-10-20 A concise, yet detailed, history of one of the lesser known FGs of the Eighth Air Force, which made a significant contribution to the Allied victory in Europe. Nicknamed the 'Unicorns', the 359th FG was one of the last groups to arrive in the UK for service in the ETO with the Eighth Air Force. First seeing action on 13 December 1943, the group initially flew bomber escort sweeps in P-47s, before converting to the ubiquitous P-51 in March/April 1944. Throughout its time in the ETO, the 359th was credited with the destruction of 351 enemy aircraft destroyed between December 1943 and May 1945. The exploits of all 12 aces created by the group are detailed, along with the most significant missions flown. This book also discusses the various markings worn by the group's three squadrons, the 368th, 369th and 370th FSs.

Just Call Me Daddy, 2025-09-24 It's wrong. It's forbidden. It's taboo. The man I married loves another... but I'm worse. Because the only man I want is my husband's father. Every glance, every secret touch, every stolen moment in the shadows of our home is dangerous. But when I'm with him, it doesn't feel like sin—it feels like salvation. Charlotte is my greatest temptation. She may wear my son's ring, but she was always meant to be mine. In a world built on lies and betrayal, how long can a passion this forbidden stay hidden?

Daddy Calls Me Man ANONIMO,2010-01-01

Call Me Daddy Joshua Altersberger,2025-04-12 Welcome to my Playhouse. I assume since you're here, you have an idea of what you're getting yourself into. If not, then you must be someone who wants to learn more about what a Daddy truly is. Well, you've come to the right place. You're going to learn a lot. You've been warned. The purpose of me creating this book, and future series, is because I felt it was needed. Throughout all the chapters you will come to understand a lot about me. One thing is that I LOVE women. All women. I don't care about a woman's background, shape, or size. I don't care about the mistakes she's made, how many children she has, or doesn't have. Nor do I care about her age, height, or IQ. It's because of my views that I've been fortunate enough to be intimate with so many. An while their lives were so different in so many ways. There was one thing they all had in common. They all enjoyed a good fuck. No. I'm not talking about that plain, vanilla, boring ass fuck where she lays on her back as her man thrusts away until he is done. I'm talking about that good hair pulling, ass smacking, do as I fucking say, or be punished kind of sex. I was taught by the more mature women that EVERY woman has a filthy little slut deep inside of her. I was told that most women were shy or too ashamed of expressing certain fantasies or sexual thoughts, because they weren't considered ' Ladylike'. It was explained to me that to bring the slut out, and to truly satisfy her hunger I'd have to take control. Being a Daddy I've had some nasty experiences. I've done some nasty things along with having nasty things done to me. It is usually the very dirty moments that are the fantasy fulfillers. It was my experiences and interactions with these women that got me thinking. I wondered how many women are out there who want or need a Daddy in their life? How many women are out there home alone with only a vibrator as company? How many wish a man would come along eagerly wanting to pull your hair, spank your ass, all while fucking you hard while you're on your hands and knees? These questions burned themselves into my mind. I KNOW there are so many of you out there. It bothered me that I am unable to be the one to make your eyes roll back, make your legs shake and cause you to make a very sticky mess on the bedsheets. So, I tried to think of a way to be your Daddy the best way I could without being there with my face between your legs. So, I wrote...Every chapter is a real woman I've encountered, and the dirty things we've done. I don't give names only because they didn't give me permission to. They'll know when their chapter arrives. I want you to live vicariously through them. I want to bring the slut out of you. I want you to read MY words. I want you to touch yourself to MY stories. I want you to cum because of ME. Is there any better feeling than when you cum? This book is a little different from others. I give you my real-life stories. I know all women are not the same, so my chapters are in variety. Whatever your flavour I'm sure to have it. It has just occurred to me I haven't properly introduced myself. I am Daddy. While you are here in my world, I am your Daddy. ALWAYS refer to me as Daddy. Do you understand? I am very sexual and dominate. Always obey your Daddy. Talking back is not recommended. As your Daddy, your body belongs to me. I do to it what I want, when I want. You're my fuck toy. If you're still reading to this point you are my kind of bitch. Now as your new Daddy you know the fucking rules.

Always obey me. So, make sure your alone. Take your clothes off and get comfortable. Your Daddy wants you to grab your vibrator if you have one. Set it on the lowest setting and place it on top of your clitoris as you read. Get yourself good and wet. Last thing. Don't you dare put this read down until you've cummed for me. I demand that. Don't disappoint me... Now enjoy.

Call Me Daddy Nathan Petet, 2025-07-19 When 21-year-old Libbi returns home, she expects boredom, awkward dinners, and her mother's nagging-not the slow, undeniable pull she feels toward her rugged, darkly handsome stepfather, Kev. In the shadow of a fractured family, Libbi and Kev cross lines that can never be uncrossed, risking everything for a love that's as dangerous as it is irresistible. As secrets deepen, passions ignite, and a single, reckless choice threatens to unravel their world, Libbi and Kev are forced into hiding-alone together, with only their desire and their guilt for company. But when betrayal, heartbreak, and old wounds come knocking, will their forbidden love survive the storm, or shatter for good? *Call Me Daddy* is an unflinching, wildly erotic tale of obsession, loss, and redemption-where family is remade in the ashes of what's broken, and even the most forbidden love can bloom again.

She's an eighteen-year-old orphan who deserves a man who'll tell her she's his good girl. Not a ruthless Bratva boss who'll make her scream for him before he's even inside her.
