G Psacharopoulos

When I Was Your Man Philip Lawrence, Andrew Wyatt, Bruno Mars, Ari Levine, 2013-04-04 Pianists of all ages want to play this soulful, piano-based ballad, making it one of the most in-demand sheet music titles of our time---a natural bestseller! With this song, global superstar Bruno Mars showcases his many talents as a singer, pianist, and co-writer. With this official sheet music, music makers can bring the song to life with a piano accompaniment that faithfully conveys what's played on the unforgettable Bruno Mars recording. The vocal melody is detailed on its own staff above the piano part, along with complete lyrics and chord fingering grids for optional guitar accompaniment.

The Ballad in American Popular Music David Metzger, 2017-09-21 While ballads have been a cornerstone of popular music for decades, this is the first book to explore the history and appeal of these treasured songs. David Metzger investigates how and why the styles of ballads have changed over a period of more than seventy years, offering a definition of the genre and discussing the influences of celebrated performers including Frank Sinatra, Aretha Franklin, and Whitney Houston. The emotional power of the ballad is strongly linked to the popular mood of the time, and consequently songs can tell us much about how events and emotions were felt and understood in wider culture at specific moments of recent American history. Tracing both the emotional and stylistic developments of the genre from the 1950s to the present day, this lively and engaging volume is as much a musical history as it is a history of emotional life in America.
