American Playbook Clay Travis, 2023-08-08 Popular radio host and bestselling author Clay Travis offers a unique playbook approach to politics, outlining how Republicans can win elections and win back the country through the lens of sports metaphors. Republicans are in a losing period. The last election should have been a wake-up call for the current moment. If the GOP wants to turn its luck around, it's time to toss the old playbook and find new ways to win elections and attract enthusiastic voters. Like a well-timed coaching hire, Clay Travis is here to break down exactly how the Republican party can turn a few losing seasons into a championship run. Whether it's advice on how to exploit the weakest link on the opposing

team, or how to capitalize on fast break opportunities in the press, Travis provides a surefire gameplan inspired by winning strategies in sports that will finally give conservatives an edge over the competition.
