

Cuadernos Mini Arco Descargar Gratis

Carmen Romero García, Olga Buzón García

El cómic español de la democracia Gracia Lana, Julio A., 2022-04-25 La Transición española trajo consigo un auge de las publicaciones en papel, que se potenciaron en el conocido como boom del cómic adulto de los años ochenta, formado por revistas como Cairo, El Víbora o Zona 84. Este libro analiza las posibles causas que llevaron a la progresiva desaparición de estos magazines, los nuevos caminos de los autores en manifestaciones artísticas como la pintura, el cine o la ilustración, y la emergencia de un mercado basado en el formato libro. Se dan cita las trayectorias de Max, Nazario y Miguelanxo Prado, además de las de Antonio Altarriba, Beà, Calpurnio, Montse Clavé, Luis García, Keko, Laura, Miguel Ángel Martín, Montesol, Paco Roca o Marika Vila.

Innovación e investigación docente en educación: experiencias prácticas. Carmen Romero García, Olga Buzón García, 2021 Las necesidades del aprendizaje del alumno actual, que debe aprender a vivir en una sociedad globalizada, digitalizada, intercultural, cambiante y que produce cantidades ingentes de información, requieren formas de enseñar diferentes a las que se utilizaban hace 20 años. Vivimos, desde hace algunos años, una transición desde un modelo educativo centrado en la enseñanza y la transmisión de contenidos hacia un modelo metodológico centrado en el aprendizaje y la adquisición de competencias.
