Delicate Condition Danielle Valentine, 2023-08-01 The Push meets The Silent Patient in a gripping thriller that follows a woman convinced a sinister figure is going to great lengths to make sure her pregnancy never happens—while the men in her life refuse to believe a word she says. But as she tries to balance her increasingly public life with a grueling IVF journey, she starts to suspect that someone is going to great lengths to make sure her pregnancy never happens. Crucial medicines are lost. Appointments get swapped without her knowledge. And even when she finally manages to get pregnant, not even her husband is willing to believe that someone's playing a twisted game with her. When the increasingly cryptic threats drive her out of her Brooklyn brownstone and into hiding in the cold, gray ghost town that is the Hamptons in the depths of winter, Anna is almost at the end of her rope. Then her doctor tells her she's had a miscarriage—except Anna's convinced she's still pregnant, despite everything the grave-faced men around her claim. Could it be that her mind is playing tricks on her? Or is something more sinister at play? As her symptoms become ever more horrifying and the sense of danger ever more present, Anna can't help but wonder what exactly she's carrying inside of her...and why no one will listen when she says something is horribly, painfully wrong.

The Dead Husband Cookbook Danielle Valentine, 2025-08-05 One husband, well done. When infamous chef, restauranter, and television personality Maria Capello's husband died, the media circus was intense...and quick to cast the blame. Whispers claimed Maria murdered her husband to build her culinary empire on his bones, and that there was an all-too-grisly reason his body was never recovered. Yet for the past few decades, the Capello family maintained their stoney silence—until now. Thea Woods has no idea why she was chosen to work with Maria on her sure-to-be-infamous memoir, but she doesn't question her luck. Spirited away to the Capello's rustic upstate farm, she's soon embroiled in the mystery—and cut off from the rest of the world. It should be the job of a lifetime, but something's not quite right with the close-knit clan, and Damien Capello isn't the only one to go mysteriously missing over the years. As the true story of Maria's past unfolds and the stench of rot hidden behind the kind coastal grandmother veneer rises, Thea finds herself trapped...and desperately afraid. Because there are reasons why Damien's body was never found...and why, in over thirty years, Maria Capello has never revealed the secret ingredient in her most famous recipe.

Everyone wants a Ms. Mabel doll. And the dolls want something in return... Ms. Mabel's Doll Emporium can make a doll that looks like anyone, customizing every last detail from hair color down to the shape of its tiny fingernails until you have your very own "mini-me." Fourteen-year-old Layla has saved up her babysitting money to buy one for her little sister, Emily. Emily is dying for one of her own, and Layla knows exactly how it feels to covet something. She's never been so jealous over anything as she'd been over the doll of her former best friend, Quinn. Then Quinn moved away, and she and the doll disappeared entirely from Layla's life. The loss still stings. Which is why—when the two sisters go to the store to pick up Emily's doll—Layla is shocked to see Quinn's old doll sitting on a shelf, covered in dust. Layla hardly recognizes herself when she stuffs the doll into her backpack as the girls exit the shop . . . and the afternoon gets even stranger when they return home. Layla hears whispering coming from the closet where she's stashed the Quinn doll. She wakes up in the middle of the night, frozen in fear as something creeps around the shadows. Her beloved tortoiseshell cat, Anne Boleyn, is behaving as if possessed. And she could swear the teeth on Emily's doll look somehow . . . sharper than before. Then Emily falls ill, and when Layla's joints begin to stiffen unnaturally, she knows the dolls are to

blame. They want something from their owners, and they won't stop until its theirs. Can Layla track down the answers she desperately needs?
