Soigner son enfant grâce aux médecines douces Violaine Chatal, Sophie Millot, 2009-01-14 Soigner au quotidien plus de 100 troubles les plus courants grâce aux médecines douces Cet ouvrage pratique et explicatif permet aux parents d'identifier plus de 100 troubles ou maladies et les guide pour choisir les médecines douces les plus adaptées à chaque cas. Pour chaque tranche d'âge, du nourrisson à l'adolescent, il propose des conseils précis et indique comment appliquer les médecines douces de façon optimale dans le cadre d'une automédication pertinente (homéopathie, phytothérapie, aromathérapie, acupuncture, oligothérapie, fasciathérapie, hypnose, sophrologie, etc.) tout en rappelant les traitements allopathiques d'usage. Une équipe de « médecins conseils » donne une caution médicale à ce livre de référence.

*Stephane Mallarme* Lloyd James Austin, Bertrand Marchal, Nicola Luckhurst, 2017-12-02 This collection of Stephane Mallarme's letters is an indispensable companion to the 'complete' correspondence published by Gallimard in eleven volumes (1959-85). The collection comprises 143 letters, dating from 1863 to 1898. Many are previously unpublished, others are published in their entirety for the first time. Not only is the life and work of the poet revealed through his letter writing, but Austin's editorial notes also include the replies of Mallarme's editors and fellow writers. A vivid dialogue emerges between the poet and his contemporaries.
