This unique book is compatible for performance with all instruments and is published with a CD of hip rhythm section backgrounds. In addition, the duets can be performed with a live rhythm section using the chord symbols provided in the C and Bass Clef editions. This comprehensive discography is intended not only for the Torme enthusiast, but the casual fan as well, who may only know Torme for his Night Court television appearances or as vocalist and co-writer of The Christmas Song (Chestnuts Roasting on an Open Fire), which was first recorded by Nat King Cole. Included are a selective chronology providing the highlights of Torme's career as an entertainer; notes on record issues, recording dates, session numbers, takes, musicians and arrangers; lists of all musical releases by label and category; hits and awards; and indexes of song titles and musicians. Films, short subjects, stage appearances, and television work (recorded on video) in which he acted, performed musically, or served as a contributor are noted, as are books that Torme wrote, or to which he contributed.
