## Helena Hunting

Pucked Helena Hunting,2015-05-03 With a famous NHL player for a stepbrother, Violet Hall is well acquainted with the playboy reputation of many a hockey star. She isn't interested in legendary team captain Alex Waters or his pretty, beat-up face and rock-hard six-pack abs. When Alex inadvertently obliterates Violet's misapprehension regarding the inferior intellect of hockey players, he becomes much more than just a hot body with the face to match. Suffering from a complete lapse in judgment, Violet discovers just how good Alex is with the hockey stick in his pants. Violet believes her night of orgasmic magic with Alex is just that: one night. But Alex starts to call. And text. And email and send extravagant—and quirky—gifts. Suddenly, he's too difficult to ignore, and nearly impossible not to like. The problem is, the media portrays Alex as a total player, and Violet doesn't want to be part of the game.

**Pucks & Penalties** Helena Hunting,2019-02-22 A compilation of deleted and extra scenes from The Pucked Series by Helena Hunting

**Get Inked** Helena Hunting,2019-11-15 Fans of the PUCKED and CLIPPED WINGS series will love this small novella set in both worlds.

Forever Pucked Helena Hunting,2025-03-25 Being engaged to Alex Waters, team captain and the highest paid NHL player in the league, is awesome. How could it not be? In addition to being an amazing hockey player, he's an incurable romantic with an XL heart, and an XXL hockey stick in his pants. And he knows how to use it. Incredibly, orgasmically well. Alex is the whole package and more. So it makes complete sense that Violet Hall can't wait to become Mrs. Violet Waters. It's so romantic. Violet is totally stoked to set a date. Eventually. At some point. Likely before the next millennium. Or when she stops getting hives every time someone brings up the wedding, and their mothers stop colluding on stadium sized venues. Whichever comes first.

Pucked Up Helena Hunting,2025-01-28 You'd think I had it all: Pro hockey player □ Great family □ Emotionally available for a girlfriend □ Except I might be cursed. Bad stuff just happens to me. I fell asleep only for someone to draw genitals on my face? Pictures go viral. Got a spider bite, should be fine, right? It's close to my most prized body part, aka now melons. Found the perfect woman? She's my team captain's younger sister. I'm a goner for Sunny. Obsessed. Head over heels. But I will do whatever it takes to have her forever, even if her brother does try to remove me from this earthly plane.

**Fractures in Ink** Helena Hunting, 2016-11-14 \*\*\*A STANDALONE novel\*\*\* Sometimes the things we shouldn't want become exactly what we need . . . Waitressing at a seedy strip club isn't ideal, but it pays Sarah Adamson's tuition. Her goal is to finish her master's program and get a job that doesn't involve tight skirts and groping hands. She doesn't need distractions. Especially not the one that comes in the form of a hot-as-sin tattoo artist who works across the street from her apartment. Kicked out at sixteen, and a high school dropout, Chris Zelter is familiar with wanting things he can't have. His fractured life has never been easy. As the product of someone else's bad decisions, he knows exactly what happens when the wrong person controls your marionette strings. Now an accomplished tattoo artist in a renowned studio in Chicago, Chris has it together. Mostly. Apart from his infatuation with Sarah. She's way out of his league, and Chris knows it. But he's willing to be her bad decision. At least for now.

*Pucked* Helena Hunting, 2019-11-12 \*\*\*The 1st standalone novel in The Pucked Series\*\*\* With a famous NHL player for a stepbrother, Violet Hall is well acquainted with the playboy reputation of many a hockey star. Pucked Over Helena Hunting, 2025-02-11 Lily LeBlanc isn't very good at the whole casual sex thing. But after seven years fighting her way through a dead-end romance, she's ready for something lighter--something fun. And who better to try casual with than a ridiculously sexy, devil-may-care pro hockey player? NHL player, Randy Ballistic, lives up to his name on the ice and in the bedroom. But ever since his best friend settled down, he's hanging out with her seriously feisty, extra-hot bestie Lily. And now that she's on the rebound, Randy's more than happy to be her springboard back into action. But casual sex is only casual until those pesky emotions get in the way. Once that happens, someone's bound to get pucked over.

**Pucked Up** Helena Hunting, 2015 Miller “Buck” Butterson has been banging his way through life ever since a puck to the face fixed his messed up front teeth. After five years in the NHL, deflecting goals on the ice and scoring them with puck bunnies, Miller has decided he’s ready for a girlfriend. A real, non-bunny girlfriend to take on dates, and not jump into bed with after five seconds of conversation. Miller thinks he’s found that woman in his teammate’s sister. Except, unlike team captain and all-around nice guy Alex Waters—who happens to date his stepsister, Miller’s media reputation as a manwhore is well earned. Beyond that minor detail, Miller doesn’t know the first thing about relationships or the time and effort they require. Miller learns—eventually—that if he wants to make Sunshine “Sunny” Waters fall for him, he's going to have to do a whole lot more than show her his stick skills in the bedroom.

When Sparks Fly Helena Hunting, 2021-09-21 Charming, hilarious, and emotional...When Sparks Fly is Helena Hunting at her very best! Avery Spark is living her best life. Between her friends, her sisters, and Spark House, the event hotel her

family owns, she doesn't have much time for anything else, especially relationships. She'd rather hang out with her best friend and roommate, Declan McCormick, than deal with the dating scene. But everything changes when she is in a car accident and needs someone to care for her as she heals. Declan avoids relationships, giving him a playboy reputation that he lives up to when he puts a one-night stand ahead of a promise he made to Avery. While he may not have been the one driving the car, he feels responsible for Avery's injuries and is determined to make it up to her by stepping into the role of caretaker. Little did they know that the more time they spend in compromising positions, the attraction they've been refusing to acknowledge becomes impossible to ignore. When they finally give in to the spark between them, neither is prepared for the consequences. Their love is fragile and all it will take is a blow from the past to shatter it all.

*Pucked Off* Helena Hunting, 2019-11-12 \*A Standalone novel\* I'm NHL defenseman Lance Romero, AKA Lance Romance. I'm notorious for parties and excess. I have the most penalty minutes in the league. I get into the most fights. I take the most hits. I'm a player on and off the ice. I'm the one women with no inhibitions want. Not because I like the notoriety, but because I don't know how to be any other way. I have secrets. Ones I shared with the wrong person, and she used them against me. Sometimes she still does. I should cut ties. But she makes it difficult, because she's the kind of bad I deserve. At least that's what I believed until someone from my past gets caught up in my present. She's all the good things in this world. She lights up my dark. I shouldn't want her. But I do. I should leave her alone. But I won't.

Having just broken up with her boyfriend, London Spark is not in the mood to be hit on. Especially not when she's out celebrating her single status with her sisters. So when a very attractive man pays for their drinks and then slips her his number, she passes it right back to him with a 'thanks, but no thanks'. As the business administrator for their family's event hotel, the Spark House, London has more important things to worry about, like bringing in new clientele. As luck would have it, a multi-million-dollar company calls a few months later asking for a meeting to discuss a potential partnership, and London is eager to prove to her sisters, and herself, that she can land this deal. Just when she thinks she has nailed her presentation, the company's CEO, Jackson Holt, walks in and inserts himself into the meeting. Not only that, but he also happens to be the same guy she turned down at the bar a few months ago. As they begin to spend more time together, their working relationship blossoms into something more. It isn't until their professional entanglements are finally over, that London and Jackson are finally ready to take the next step in their relationship.
