Losing Hope Signed Limited Edition Colleen Hoover,2013-10-08 In Hopeless, Sky left no secret unearthed, no feeling unshared and no memory forgotten, but Holder's past remains a mystery. He is haunted by the little girl he let walk away from him and he has spent his entire life searching for her. He had hoped that he would finally gain closure and be able to rid himself of his guilt the moment they were reconnected. But he could not have anticipated that the exact opposite would occur and even more guilt and regret would be thrust upon him. Sometimes in life, if we wish to move forward we must first dig deep into our past and make amends with it. In Losing Hope, readers will learn what was going on inside Holder's head during all those moments that left him feeling hopeless and see whether he can perhaps gain the peace he desperately needs-

Losing Hope / Finding Cinderella Bind-up Colleen Hoover,2025-07-31 A special bind-up edition from #1 Sunday Times bestselling author Colleen Hoover featuring the second and third instalments in the Hopeless series. Hopeless was the story of what happened when a troubled girl named Sky encountered a long-lost childhood friend, Dean Holder. Now, in Losing Hope, we discover the truth about Holder. Haunted by the young girl he couldn't save from imminent danger, his life has been overshadowed by guilt and remorse. He never stopped searching for her, but not once did Holder think that he would face greater pain if they ever reconnected. Holder reveals how Sky's youth affected him and his family, leading him to seek redemption by saving her. But is it only by loving Sky that he can finally begin to heal? In Finding Cinderella, a chance encounter in the dark leads eighteen-year-old Daniel and the girl who stumbles across him to profess their love. But this love has conditions: they agree it will only last one hour and be make-believe. When their hour is up and the girl rushes off like

Cinderella, Daniel tries to convince himself that it only seemed perfect because they were pretending. Moments like that only happen in fairy tales. One year and one bad relationship later, his disbelief in love at first sight disappears the day he meets Six: a girl with a strange name and an even stranger personality. Unfortunately for Daniel, finding true love doesn't guarantee a happily ever after . . . it threatens it. Will an unbearable secret from the past jeopardize their last chance at saving each other?
