Flip-Side James Franco, David Shields, 2016-10-15 Best-selling author David Shields, and multi-talented writer, actor and director James Franco team up to transform a conversation into a highly original study of celebrity. Flip-Side is a work of dialogue that explores the relationship between performance and persona, on the one hand, and underlying pain and trauma, on the other. The text is complimented by dozens of selfies of James and Lana.

Straight James / Gay James James Franco, 2015-12-21 Straight James / Gay James, actor James Franco's new chapbook of poems, explores the facets of his public and private personas. Straight James / Gay James is a poetic bildungsroman—raw, candid, and uninhibited. James Franco writes about life as an actor, sexuality, questions of identity, gender, family, Gucci, Lana Del Rey, James Dean, Hollywood, and more. His poetic style varies from the imagistic to the prosaic. The chapbook also contains an interview of "Gay James" conducted by "Straight James." Yes, Straight James asks the question: "Let's get substantial: are you f****g gay or what?"

The Aesthetics of Self-Harm Zoe Alderton, 2018-05-11 The Aesthetics of Self-Harm presents a new approach to understanding parasuicidal behaviour, based upon an examination of online communities that promote performances of self-harm in the pursuit of an idealised beauty. The book considers how online communities provide a significant level of support for self-harmers and focuses on relevant case studies to establish a new model for the comprehension of the online supportive community. To do so, Alderton explores discussions of self-harm and disordered eating on social networks. She examines aesthetic trends that contextualise harmful behavior and help people to perform feelings of sadness and vulnerability online. Alderton argues that the traditional understanding of self-violence through medical discourse is important, but that it misses vital elements of human group activity and the motivating forces of visual imagery. Covering psychiatry and psychology, rhetoric and sociology, this book provides essential reading for psychologists, sociologists and anthropologists exploring group dynamics and ritual, and rhetoricians who are concerned with the communicative powers of images. It should also be of great interest to medical professionals dealing with self-harming patients.

Cancer, I'll Give You One Year Jennifer Spiegel, 2020-01-21 Cancer, I'll Give You One Year: A Non-Informative Guide To Breast Cancer, A Writer's Memoir In Almost Real Time is not about eating kale. The book is 100 percent narrative nonfiction and 0 percent self-help. It was actually written for the author's children in case she died. This sounds morbid, but maybe

pointed and candid are better words. Embracing candor as an aesthetic, this real-time story hits upon the sacred, the profane, a trip to Epcot, a colonoscopy, her kids' responses to everything, and O. J. Simpson's parole hearing. Writing-centric, voice-driven, and conscious of a death sentence--no diets or exercises are offered, but the author may give horrible parenting advice. It's undoubtedly funny, but also a meditation on meaning.

American Girls Nancy Jo Sales, 2017-01-24 A New York Times Bestseller Award-winning Vanity Fair writer Nancy Jo Sales crisscrossed the country talking to more than two hundred girls between the ages of thirteen and nineteen about their experiences online and off. They are coming of age online in a hypersexualized culture that has normalized extreme behavior, from pornography to the casual exchange of nude photographs; a culture rife with a virulent new strain of sexism; a culture in which teenagers are spending so much time on technology and social media that they are not developing basic communication skills. The dominant force in the lives of girls coming of age in America today is social media: Instagram, Whisper, Vine, Youtube, Kik, Ask.fm, Tinder. Provocative, explosive, and urgent, *American Girls* will ignite much-needed conversation about how we can help our daughters and sons negotiate the new social and sexual norms that govern their lives.

Little Snowfall Lynn Crosbie, 2015-02-14 Little Snowfall is a short story about a beautiful, young woman named Pixie, who suspects her new neighbour is James Franco. The problem is that her neighbour says his name is Edward and denies he is the famous actor/artist. Pixie has a monstrous crush on James Franco and is sure that Edward is lying about his true identity. After hearing him say his stay is only temporary, she gives herself two weeks — by Valentine's Day — to make him fall in love with her. Pixie quickly befriends and seduces the man who denies he's James Franco. But Pixie has secrets of her own that soon threaten to derail their budding relationship before it even has a chance to begin. What unfolds is a sweet, comical romance between two illusionists that culminates in a dramatic confrontation at a major art show on Valentine's Day. Written as a teaser for Lynn Crosbie's new novel about Kurt Cobain, *Where Did You Sleep Last Night?*, Little Snowfall is fun and romantic nod to the hugely popular fan fiction genre.
