*Readers' Advisory for Children and 'Tweens* Penny Peck, 2010-04-09 This complete guide to youth readers' advisory covers genres, reading interests, and issues, as well as provides lists of sample titles and recommended reading. Finding children and 'tweens great books to read is still a key library service, even in the age of computers. Readers' Advisory for Children and 'Tweens is an easy-to-use, practical guide that will help any library staff member become more comfortable offering this service—and more adept at producing satisfying results. Beginning with basic advice on the readers' advisory interview, the book details how to find books for different age groups, including young children and their parents, emergent readers, transitional readers, and adept readers. It explores genre fiction for 'tweens, nonfiction, poetry and folklore, and graphic novels, and it offers techniques on promoting books and reading. Potentially sensitive issues such as book challenges, assisting English language learners, serving children from various cultures, working with teachers, and helping reluctant readers are addressed, as well. The advice is augmented with handy booklists and descriptions of dozens of websites that aid

in youth readers' advisory.

**Children's Literature in the Reading Program** Deborah A. Wooten, Lauren Aimonette Liang, Bernice E. Cullinan, 2018-05-15 This indispensable teacher resource and course text, now revised and updated, addresses the whats, whys, and how-tos of incorporating outstanding children's literature into the K-8 reading program. A strong emphasis on diverse literature is woven throughout the fifth edition, with chapters emphasizing the need for books that reflect their readers and presenting dozens of carefully reviewed books that teachers will be eager to use in the classroom. Leading authorities provide advice on selecting texts, building core literacy and literary skills, supporting struggling readers, and maximizing engagement. The volume offers proven strategies for teaching specific genres and formats, such as fiction, nonfiction, picturebooks, graphic novels, biographies, and poetry. This title is a copublication with the International Literacy Association. New to This Edition \*Many new teaching ideas and book recommendations, with an increased focus on culturally diverse literature. \*Scope expanded from K-5 to K-8. \*Chapter on using read-alouds and silent reading. \*Chapters on diverse literature about the arts and on transitional chapter books. \*Chapter on engaging struggling readers with authentic reading experiences.

**The Children's Literature Selection Handbook, K-8** Christie Kaaland, 2025-09-18 Offering future school librarians, teachers, and working librarians an alternative to lengthier textbooks on children's literature, this engaging book introduces readers to the most important genres and current conversations in the field while leaving them time to read children's literature directly. As school librarian and teacher certification programs become more abridged, students require succinct textbooks that still provide a valuable introduction to the field. Working librarians need reference books that allow them to make good selections for their collections. Students and professionals will appreciate The Children's Literature Selection Handbook, K-8 because it offers a needed overview of the field while allowing for plenty of time to read children's literature. Author Christie Kaaland's conversational tone speaks directly to readers, and the book offers students a pathway to engage with literature directly and effectively scaffold their learning. Beginning with an introduction to standard literary fiction genres, including a discussion of literature trends and children's reading interests and needs, the chapters turn to the most important genres: fiction, biography, folk literature, picture books, informational texts, poetry, and graphic novels. A focus on book series, a deep discussion of graphic novels, the inclusion of global literature and review sources for selection, and information on publishers and the publishing industry set this timely book apart from others in the field. Reader voices add perspective and charm. This compact and engaging book is the perfect companion to the vast wealth of children's literature that future teachers and school librarians will read during their professional preparation and share with children and youth as working librarians.

**Crash Course in Children's Services** Penny Peck, 2014-09-26 Useful for newcomers to the children's library staff as

well as longtime children's librarians, the second edition of this popular handbook provides easy-to-follow instructions to make innovations in children's library materials work for you. Addressing everything from the basics of reference to the complex and highly specialized duties of program development, this handbook is perfect for both librarians and support staff who are assigned to the children's department of a library. This second addition of *Crash Course in Children's Services* covers many of the new issues facing children's library staff, including eBooks, using apps in programming, other online reading options, book trailers, nonfiction and the Common Core curriculum. It also describes expanded programming options such as makerspaces, gaming, dog reading programs, and play at storytime. Ideal for new children's librarians as well as experienced library staff who have not worked with children recently and long-time children's librarians looking to add new skills to their tool kits, the book familiarizes readers with all the new developments of the past few years, from online reading options to the wealth of new programming aimed at youth. You'll learn about subjects such as pop-up and passive programming, offering online homework help, and outreach and services to special needs children, and then quickly implement new practices into use at your library.

**Journey Back To Self** Penelope Rose, 2024-02-27 *Journey Back To Self* is a riveting memoir based story of reclamation. A love story of a heart cracked open releasing all the emotions, fears, insecurities, and memories of the past like a great rushing waterfall. Journey with the author as she travels back in time to childhood onward uncovering the learned belief patterns responsible for her rough road in love through adolescence and adulthood. Come along through the authors vulnerable retelling of her experiences in relationships spanning from passionate bliss to visceral heartbreak and everything in between. Join her in the lessons and insights she's gained on the other side of trauma, abuse, heartbreak, divorce, and ancestral deep-rooted beliefs of unworthiness. Journey with the author to remembering, to unconditional love, and back home to herself. Back home to her confidence, her intuition, her light, and her power. Join the author alongside her journey, and too you will find yourself coming home. No guilt, no shame, no regret.

*Judy Moody Goes to College* Megan McDonald, 2010-08-24 A few sessions with a college-age math tutor turn Judy into a jargon-spouting polygon princess. Crucial! Judy Moody is in a mood. Not a good mood. And definitely NOT a math mood. The substitute teacher in Class 3T thinks Judy's math skills need improving. So Judy has to start meeting with a math tutor. Does this mean flash cards? Does this mean baby games? Does this mean school on weekends? But when Judy meets her tutor — a sick-awesome college student with an uber-funky sense of style — and gets a glimpse of college life, Judy's bad math-i-tude turns into a radical glad-i-tude. Pretty soon, Judy's not only acing her math class; she's owning it. Time to say good-bye to Judy Moody, old skool third-grader, and say hello to Miss College! Small-tall upside-down backward non-fat capp with extra whip, anyone?

Pathways to Independence Jo Worthy, Karen Broaddus, Gay Ivey, 2001-04-20 This comprehensive text presents a core of

research-based approaches to engaging, effective literacy instruction in the middle grades. Methods and materials are described to foster reading skills, content mastery, and writing in different formats and for different purposes. The authors emphasize the need to tailor instruction to the needs, strengths, skill levels, and interests of diverse students. They offer recommendations for reading lists that incorporate critically acclaimed fiction and nonfiction, popular series books, and other student-friendly materials. Special features include case studies, examples of teaching and assessment activities, and commentary from middle-school teachers and students. Appendices contain reproducible forms and lists of recommended reading materials and resources.

Judy Moody Megan McDonald, 2018-04-10 Third grader Judy Moody is in a first day of school bad mood until she gets an assignment to create a collage all about herself and begins creating her masterpiece, the Me collage.

**Judy Moody Gets Famous!** Megan McDonald, 2010-08-24 This sequel to JUDY MOODY handily matches the original in zip and wit. . . . Even Judy could spell two words that describe both the plot and its heroine: f-r-e-s-h and f-u-n-n-y. -- PUBLISHERS WEEKLY (starred review) Everyone knows that Judy Moody has a mood for every occasion, and this time she's in a jealous mood. Jealous of classmate Jessica Finch, that is, who gets her picture on the front page of the newspaper, just for winning a spelling bee. But when Judy Moody sets off in pursuit of her own fame and happiness, watch out! She is so determined, she just might find it - or will she merely become more infamous than ever?

**Judy Moody Saves the World!** Megan McDonald, 2010-08-24 The mercurial Judy returns - and she's in a mood to take on the world! Judy Moody did not set out to save the world. She set out to win a contest. A Band-Aid contest. It all started with the Crazy-Strip contest - and the dream that she, Judy Moody, might one day see her very own adhesive-bandage design covering the scraped knees of thousands. But when her Heal the World motif merits only an honorable mention, Judy Moody realizes it's time to set her sights on something bigger. Class 3T is studying the environment, and Judy is amazed to learn about the destruction of the rain forest, the endangered species (not) in her own backyard, and her own family's crummy recycling habits. Now she's in a mood to whip the planet into shape - or her name isn't Judy Monarch Moody!

Judy Moody, Book Quiz Whiz Megan McDonald, 2019-09-10 Books, books, books! Judy's got books on the brain as she prepares for a totally RARE trivia competition. Has reading always been this exciting? Judy Moody is in it to win it. Win the Book Quiz Blowout, that is. Judy and her brother, Stink, are two-fifths of the Virginia Dare Bookworms, and they've been reading up a storm to prepare for Saturday's face-off against second- and third-grade readers from the next town. Judy's trying out all kinds of tactics, from hanging upside down like Pippi Longstocking to teaching herself to speed read *The Princess in Black*, and Stink has fashioned a cape of book trivia sticky notes to help him remember all the penguins in *Mr. Popper's Penguins*. But when Judy, Stink, and their fellow teammates discover the other group has a fourth-grader (no lie!), they get a bit nervous. Are the Bookworms up to the challenge?
