Nobody's Perfect Annabel M. Patterson, Professor Annabel Patterson, 2002-01-01 Is history driven more by principle or interest? Are ideas of historical progress obsolete? Is it unforgivable to change one's mind or political allegiance? Did the eighteenth century really exchange the civilizing force of commercial advantage for political conflict? In this new account of liberal thought from its roots in seventeenth-century English thinking to the end of the eighteenth century, Annabel Patterson tackles these important historiographical questions. She rescues the term whig from the low regard attached to it; denies the primacy of self-interest in the political struggles of Georgian England; and argues that while Whigs may have strayed from liberal principles on occasion (nobody's perfect), nevertheless many were true progressives. In a series of case studies, mainly from the reign of George III, Patterson examines or re-examines the careers of such prominent individuals as John Almon, Edmund Burke, Sir Joshua Reynolds, Thomas Erskine, and, at the end of the century, William Wordsworth. She also addresses a host of secondary characters, reshaping our thinking about both well-known and lesser figures of the time. Tracking a coherent, sustained, and adaptable liberalism throughout the eighteenth century, Patterson overturns common assumptions of political, cultural, and art historians. The author delivers fresh insights into the careers of those who called themselves Whigs, their place in British political thought, and the crucial ramifications of this thinking in the American political arena. Father Ralph Pfau and the Golden Books Glenn F. Chesnut, 2017-01-04 Father Ralph Pfau was one of AA's four most-published and most-formative authors (along with Bill Wilson, Richmond Walker, and Ed Webster) during the new movements' earliest thirty years, during which it grew from only 100 members to almost 300,000. In the first ten years Pfau spent working to spread AA, he said I have traveled nearly 750,000 miles I have spoken before nearly two hundred thousand members of AA at retreats, meetings and conventions, and personally discussed problems with more than ten thousand alcoholics. He produced fourteen extremely popular books, called the Golden Books, under the pen name Father John Doe, along with other books and recordings. When he joined Alcoholics Anonymous in 1943, he became the first Roman Catholic priest to get sober in the newly formed movement. An alcoholic and drug addict, he had spent the previous ten years being removed from parish after parish, as his drinking and addiction to downers got out of control over and over again. He

taught the spirituality of imperfection, drawing from St. Threse of Lisieuxs Little Way and St. Augustines teaching of God as Truth Itself the forgiving God who touches us in our fallenness, in acts of sudden psychological insight in which our whole perspective on life undergoes sweeping positive quantum changes. Over and over he calmed peoples fear of God by reminding them that perfection was a myth, and that no human being could do it all. He was one of the most creative and interesting American Catholic theologians of his era.

Ethnodramatherapy Stephen Snow, 2021-11-24 Ethnodramatherapy explores the integration of the performance ethnography method, known as ethnodrama, with the principles and practices of drama therapy to establish a sound theoretical formulation for ethnodramatherapy, and considers its use as art, as therapy, as research and as a vehicle for social justice. The book begins by defining ethnodramatherapy – an original synthesis created by the author through deep study and practice of Mienczakowski's ethnodrama, combined with 35 years of his own practice and research in drama therapy, creative arts therapies and therapeutic theatre. The book describes the origins of ethnodramatherapy, along with its evolution and method. It then delves into applications of the practice highlighted by five case studies with different audiences in different settings. Subjects include adults with developmental disabilities, female adolescents in youth protection, caregivers for loved ones with mental illnesses and Chinese students exploring controversial issues of oppression in China. Complex ethical issues are reviewed and suggestions are made on how to deal with some of the challenging ethical situations that are likely to arise in the ethnodramatherapy process. What emerges is a powerful tool that harnesses theatrical art, ethnographic research and the clinical techniques of drama therapy to create a potential for emancipatory experience for both performers and audiences. This exciting and dynamic synthesis of drama therapy, performance ethnography, theatrical art and social activism will be of interest to the whole community of theatre practitioners and scholars who use theatre to effect individual and social change, including the disciplines of applied theatre, theatre education, experimental theatre, performance studies, and, of course, drama therapy, psychodrama and the other creative arts therapies.

Seriously Silly Robert Ross,2025-11-06 'This book is timely. I hope it will send people back to his work, whether it be films he's directed, roles he's played ... and everything else that made him everybody's favourite polymath.' MICHAEL PALIN Seriously Silly is an intimate portrait of Terry Jones - Python, actor, director, historian, reluctant national treasure and purveyor of sincere silliness - written by the man he chose to tell the story of his life. From his Welsh upbringing in Colwyn Bay, to meeting his lifelong friend Michael Palin at Oxford through revue sketches, anarchic children's shows and the creative genius of Monty Python, this is the story of a comedy legend. Throughout this journey, Terry's extraordinary determination and resilience shine through, not least in his final years as he battled with dementia. Written by his close friend Robert Ross, with a foreword from Michael Palin (and the blessing of and cooperation of his family and the people who knew him best) Seriously Silly is not only the definitive celebration of a true pioneer of comedy, but a loving portrayal of the man behind the laughter.
