Revolve Bal Khabra, 2025-10-14 “A must-read for sports-romance lovers.” —Elle Kennedy, New York Times bestselling author AN INSTANT NATIONAL BESTSELLER! In the latest installment of the spicy Off the Ice hockey romance series by the bestselling Canadian author of *Collide*, an Olympic figure skater and a wildcard hockey player discover that the road to redemption isn't all smooth ice. Sierra Romanova was an Olympic figure skater before a life-altering accident on the ice left her with panic attacks every time she enters the rink. Now, back for her final year at Dalton University, she's ready to reclaim the spotlight, with all eyes on her...including those of hockey player Dylan Donovan, whose audacious words goad her back into her skates to prove him wrong. After getting kicked off his hockey team for his bad behavior, Dylan is left with slim chances of making it to the NHL draft. But Dylan's whole world revolves around the ice, and if hockey is forbidden, well at least there's figure skating. Even better, it means more time at the rink with Sierra. Sure, he's helping her rebuild her confidence, but pushing her buttons along the way? That's a bonus. As the figure skating world awaits Sierra's comeback, she finds herself in need of a new pairs partner. The only person she knows who can match her skill on the ice is none other than the cocky hockey player who refuses to cut her any slack. He's a wildcard, she's a seasoned pro, but together, they might just be the perfect match on the ice.

Collide Bal Khabra, 2024-05-14 NATIONAL BESTSELLER She's an honors student with ambitious graduate school plans and he's a jock with only hockey on his mind, but once their worlds collide, their connection is hot enough to melt an ice rink. An ultimatum from Summer Preston's thesis advisor thrusts her into an unexpected collision with the hockey team's captain, Aiden Crawford. She's caught between conflicting desires of fulfilling her lifelong dream of becoming a sport psychologist and staying as far away as possible from the god-awful sport. And once she meets Aiden—well, let's just say he confirms all her worst assumptions about hockey players. Being the captain of the college hockey team has its perks, except when a reckless mistake by Aiden's team threatens to jeopardize their entire season. As punishment, Aiden's coach nominates him as the subject of a student research project. Participating is the last thing he wants to do, especially since the girl leading the project looks like she could wield his skates as a weapon. Summer can't stand Aiden's blasé approach to life, and Aiden doesn't understand why she's twenty years old with a twenty-five-year plan. But their bickering soon turns to bantering—and once they let their guards down, there's nothing to check their feelings.

Spiral Bal Khabra, 2025-01-28 INSTANT NATIONAL BESTSELLER! He's on edge while she's en pointe in this fake-dating sports romance from the author of the smash hit *Collide*. Elias Westbrook, a newly drafted hockey player for the Toronto Thunder, is facing the challenges of fame and media scrutiny. With a growing fan base and too many expectations on his shoulders, he's struggling to make his first career goal. The tabloids are reporting on his every move, including which woman he was last seen with, but all he wants to do is escape the spotlight. Enter from stage left Sage Beaumont, an aspiring ballerina with dreams of joining the Aurora Ballet Theatre, but her lack of popularity online leaves her at a major disadvantage for securing the lead role. When Sage finds herself with the perfect opportunity to make her dreams come true by fake dating Elias, she takes her shot. Soon enough, the flimsy fake-dating rules they set in place fall away in the face of their sizzling connection. But before things spiral out of control, Sage and Elias will have to decide if they're willing to take the leap together or if they'll call it quits.
