**Our Ancestors Came from Outer Space** Maurice Chatelain, 1979-03-01 Who are we? Where did we come from? How did we get here? All the answers are here, bigger than life, and more powerful than fiction, presented by the NASA scientist whose Apollo computer program got us to the moon: -The secret of Atlantis -The significance of the Great Pyramid at Giza -The lost treasures of ancient Egypt -The puzzle of the Mayan Calendar -The truth about astrology -The world beneath the polar ice caps -Stonehenge, miracle of mathematics -The Rhodes Calendar -The Mystery of the Maltese Cross -What the Apollo and Gemini astronauts REALLY saw Using sophisticated computers, new and previously overlooked information, and his direct experience as the NASA scientist who designed and built the Apollo communications and data-processing system, Maurice Chatelain amasses starting and convincing evidence that our ancestors came from outer space. A mathematical approach, as well as an archaeological overview... Should prove to be considerably more durable than Erich von Daniken's 'Chariots of the Gods.' A worthwhile contribution to serious students of the ancient mysteries, by a real scientist... -The Dayton Daily News

**The Ascension Mysteries** David Wilcock, 2016 Wilcock describes the secret cosmic battle between positive and negative happening every day, hidden in both the traumas of our own lives and the world's headlines. Through his contact with a positive higher intelligence behind the UFO phenomenon, groundbreaking scientific information, and data from high-ranking government whistle-blowers, he is able to reveal that the earth is now on the front lines of a battle that has been raging between positive and negative extraterrestrials for hundreds of thousands of years. Earth is on the verge of a massive cosmic event that will transform matter, energy, consciousness, and biological life as we now know it and will utterly defeat the great villains of our time.

**Understanding God the Holy Spirit** Billy Shurling, 2012-06-13 CHRISTIANS MUST KNOW and communicate with the Holy Spirit to fully understand the Christian experience. God gave Christians his Spirit to give them the power and teach them the wisdom and understanding so they can fully understand what God wants them to know. God has already given everyone the gifts for an abundant life for this journey on earth and eternity. In order for you to receive these gifts, you must

have communication with the Holy Spirit. God declared three thousand years ago that everyone in this age could receive his Spirit. The Holy Spirit is received by first accepting Jesus as your Savior. He then asks the Father to send the Holy Spirit to you for your personal counselor for spiritual and personal growth. Jesus describes the Holy Spirit as your teacher, counselor, adviser, advocate, the living water, and many other things. He will live in you 24-7 to help you. He has a schedule for your life. This means when it is time for you to receive the gifts God has planned he will prepare you to receive them. You probably do not know that he has gifts like education and careers. God has a career for you already planned, but you must follow the plan. Do not say I know all this. That is a sure prescription for failure. You will never know it all. You will learn many things from this book. The Holy Spirit asked me to write this book to tell you what he wants you to know. He wants you to study your Bible with the Holy Spirit giving you understanding of all things.

*Alien Agenda* Jim Marrs, 2000-03-22 The truth begins here Author and award-winning Journalist Jim Marrs has uncovered compelling new evidence regarding extraterrestrials-that alien life forms have not only visited our planet in the past, but are among us right now. Drawing on numerous eyewitness accounts, highly classified CIA reports, and his own meticulous research, Marrs marshals an impressive array of facts to confirm the reality of UFOs--as well as the depth of the government campaign to keep America in the dark. Here is information unavailable in any other single source, including: Intriguing insights into the 1947 Roswell crash and the U.S. military's efforts to suppress all public inquiries Detailed accounts of UFO landing sites in South America and of abductions in the U.S. Vivid descriptions of UFOs by Apollo astronauts-in their own words Tantalizing clues to the alien timetable for revealing their plans here And much more!

**The Open Secret of India, Israel and Mexico?from Genesis to Revelations!** Gene Matlock, 2008-04 All the races of men, along with their gods, descend from Japhet, son of Noah. The Hebrew and Hindu holy books say that all our deities and religions came from a race of spacemen from Outer Space, to keep mankind from devolving to animal level. It was then, and later too, that the Nephilim appeared on earth-when the divine beings cohabited with the daughters of men . (Genesis 6:4). The ancient Hindus and Turks called them Navalin (Star Ship People) and Anunaka/Anunaki (One who is from the Sky; From the Place of No Pain). The Sumerians, Mesopotamians, and Akkadians called them Anunaki (Sky Gods; People of Heaven and Earth). The divine strangers appointed the tribe of Japhet or the Sanskrit Jyapeti to rule the earth. This divine right of kingship extended also to their close relatives, the Yadu, Yadava, and Yahuda (Jews). The divine religions they inherited were Judaism, Christianity, Hinduism, Buddhism, and Jainism-all of which originated in Siberia. But things went wrong. Mankind kept getting worse. Men started to deny that Christaya, Kurus, and Aryans, as they were called, originated from Mt. Meru in Southern Siberia. The ancient Jews insisted that mankind had spread from the Tower of Babylon, which was just a symbol of Meru. The Hindus likewise insisted that their Gods were home grown and not from Outer Space. Yet, the story might be true. It extended over the entire Eastern Hemisphere.

*Out of Phase: Encounter* Ivan Peraza,2024-04-09 This book is a sci-fi novel about the not-so-distant future when humankind lives peacefully under a world government. Humans have built space stations and colonized the Moon and Mars. Mining has been moved to the asteroid belt. I wrote this story from the point of view of the scientists who participated in the discovery. It is not about conflict but about processes and tribulations as the scientists bring their discoveries to the higher-ups.
