Journal "Shapiro does original research, earning [this] volume a place on the quotation shelf next to Bartlett's and Oxford's."—William Safire, *New York Times Magazine* (on the original edition) "A quotations book with footnotes that are as fascinating to read as the quotes themselves."—Arthur Spiegelman, *Washington Post Book World* (on the original edition) Updated to include more than a thousand new quotations, this reader-friendly volume contains over twelve thousand famous quotations, arranged alphabetically by author and sourced from literature, history, popular culture, sports, digital culture, science, politics, law, the social sciences, and all other aspects of human activity. Contemporaries added to this edition include Beyoncé, Sandra Cisneros, James Comey, Drake, Louise Glück, LeBron James, Brett Kavanaugh, Lady Gaga, Lin-Manuel Miranda, Barack Obama, John Oliver, Nancy Pelosi, Vladimir Putin, Bernie Sanders, Donald Trump, and David Foster Wallace. The volume also reflects path-breaking recent research resulting in the updating of quotations from the first edition with more accurate wording or attribution. It can lead to depression, mental and physical illness, and loss of family and friends. It affects everyone, regardless of race, creed, or nationality. But you can stop the cycle of worry now with *Take No Thought*. Dr. Preston R. Winfrey challenges you to change the way you think about life by entrusting all of your worries and fears to God. In response, we must use the power of the Holy Spirit to turn to God in prayer during moments of worry. Using Scripture, Dr. Winfrey offers practical suggestions to reduce and eliminate debilitating worry and anxiety. These include immersing yourself in the Bible, learning to be content with what you have, growing in your faith, and even getting a good night's sleep. Living life more abundantly can help you to regain stability when it comes to needless worry. Learn to put your trust in God's direction for your life and banish the cycle of worry. Let *Take No Thought* show you how.

The Perennials Mauro F. Guillén,2023-08-22 Get the best from accelerating social change with the new book from the bestselling author of 2030 and “acclaimed thought leader” (Kirkus), Mauro Guillén. Adam Grant praises how the book invites us to rethink our careers, our families, and our future plans.” Find out why business leaders and bestselling authors around the world are calling the book sharply relevant and necessary (William P. Lauder), insightful and deeply researched (Richard Florida), and A must read (Mohammed A. El-Erian). In today’s world, the acceleration of megatrends – increasing longevity and the explosion of technology among many others – are transforming life as we now know it. In The Perennials, bestselling author of 2030 Mauro Guillén unpacks a sweeping societal shift triggered by demographic and technological transformation. Guillén argues that outmoded terms like Boomers, Gen X, Millennials, and Gen Z have long been used to pigeonhole us into rigid categories and life stages, artificially preventing people from reaching their full potential. A new postgenerational workforce known as “perennials” – individuals who are not pitted against each other either by their age or experience – makes it possible to liberate scores of people from the constraints of the sequential model of life and level the playing field so that everyone has a chance at living a rewarding life. Guillén unveils how this generational revolution will impact young people just entering the workforce as well as those who are living and working longer. This multigenerational revolution is already happening and Mauro Guillén identifies the specific cultural, organizational and policy changes that need to be made in order to switch to a new template and usher in a new era of innovation powered by the perennials.
