Sir William Gurney Benham

1001 Unforgettable Quotes About God, Faith, and the Bible Ron Rhodes, 2011-04-01 Bible scholar and avid reader Ron Rhodes gathers his favorite quotes from classic and contemporary Christians about Scripture, belief, God, and life. For added spiritual insight, Rhodes provides Bible truths behind each presented quote. Topical selections can be read in order or as areas of interest arise for a reader. Attitude "If you can't change circumstances, change the way you respond to them." Tim Hansel (1941-2009), Seminar leader Bible Truth Behind the Quote: "For those who love God all things work together for good, for those who are called according to his purpose" (Romans 8:28). This recognition helps us to respond positively to our circumstances. This rich collection will be a must-have for home and church libraries and will be a great gift for those who love gathering words of wisdom for their Christian walk.

The Love of God, a Treatise Saint Francis (de Sales), 1962

The Love of God, and Spiritual Friendship Saint Bernard (of Clairvaux), William (of Saint-Thierry, Abbot of Saint-Thierry), Saint Aelred (of Rievaulx), 1983 A collection of writings by Saint Bernard and two of his contemporaries, St William of St. Thierry and Aelred of Rievaulx.

Kant on Love Pärttyli Rinne, 2018-01-22 "This is an immensely useful resource for other scholars and philosophers wishing to understand Kant's views on love." – Rae Langton, University of Cambridge What did Immanuel Kant really think about love? In *Kant on Love*, Pärttyli Rinne provides the first systematic study of 'love' in the philosophy of Kant. Rinne argues that love is much more important to Kant than previously realised, and that understanding love is actually essential for Kantian ethical life. The study involves two interpretative main propositions. First, that love in Kant includes an underlying general division of love into love of benevolence and love of delight. Further, the study divides Kant's concept of love into several aspects of love, such as self-love, sexual love (and love of beauty), love of God, love of neighbor and love in friendship. A chapter of the book is devoted to each of these aspects, beginning with the lowest forms of self-love as crude animality, and moving gradually upwards towards idealised ethical notions of love. One way or another, the major aspects relate to the general division of love. This analytical trajectory yields the second main proposition of the study: Together, the aspects of love reveal an ascent of love in Kant's thought. Perhaps surprisingly, for Kant, love permeates human existence from the strongest impulses of nature to the highest ideals of morally deserved happiness.

Of the Love of God Saint Francis (de Sales),1878

Of the love of God, tr. by H.L.S. Lear François de Sales (st.),Saint Francis (de Sales),1888

The Power of Constant Prayer and Communion With God William Jeynes,2024-07-01 Billions of people in the world want a sound basis for improving the amount of fulfillment and personal success in their lives. Over the years, many have lauded the importance of prayer in one's life. To whatever degree that is true, how much more is constant prayer even more powerful than Sunday or Saturday prayer or even daily prayer. Communing with God throughout the day is one of the most underestimated means of experiencing peace and joy in one's life, as well as having God's love flow from one's heart and lips. Countless numbers of people around the world pray in order to have some of the key advantages in personal serenity, purpose, and insight that will enable them to have the edge in life necessary in order to have victory and fulfillment. How much more will constant prayer and communion with God enable people to have a permeant advantage and edge. This book examines how the practice of constant prayer and communion with God can fill a person with more love, joy, peace, self-discipline, faith, direction in life, humility, sensitivity to God, consistency, and purpose. It is intellectually stimulating, but immensely practical. By applying the many principles shared in this book, it can literally change your life and make you stronger in virtually every area of your life.

Embracing the Love God Wants You to Have Taffi Dollar,2014-06-24 In this loving, insightful guide that captures the spirit of T. D. Jakes, Taffi Dollar, renowned pastor of the World Changers Church International, speaker, and author, teaches every woman how to bolster her most pivotal relationship: The one she has with herself. Pastor Taffi Dollar invites us into an intimate conversation as a pastor, wife, mother, sister, and friend, exploring the topic that's closest to the hearts of every woman: relationships. So much of a woman's happiness hinges upon the quality of her bonds with others. But many women struggle in striking that all-important balance between giving and receiving love. In their determination to give to others, women often ignore their own need for self-sustenance. Neglecting their own foundation leaves them ill prepared to be in healthy, loving relationships with spouses, children, families, communities, and even God, Taffi reveals. With wry humor and clear-eyed insights, Taffi introduces women to timeless values and applies them in ways that are real and relevant. She offers words to live and love by, and a path towards healthy relationships that enhance rather than deplete us. Interweaving anecdotes and the personal stories and experiences of people she meets each day, she shows women how to reconnect with themselves and find the fulfillment they seek.

Catholic Moral Teaching and Its Antagonists Joseph Mausbach,1914

Love of Self and Love of God in Thirteenth-century Ethics Thomas Michael Osborne,2005 This book debates the controversy over whether or not it is possible to love God more than oneself through natural powers alone. Thirteenth-

century philosophers and theologians study how one's own good is achieved through virtuous action and how to adapt Aristotle's philosophical insights to a Christian framework.

Judaism in the First Centuries of the Christian Era George Foot Moore, 1927

I LOVE GOD, NOW WHAT? Book I Days 1 - 91 Steve Haines, 2025-08-21 Like any professional, Pastors can be busy people. Often the demands upon their time are myriad. The time when I first came to accept Christ as my Lord was wonderful beyond measure. Although my Pastor was eager to introduce me to Christ, he was not as intimately available to guide me in the aftermath of that wonderful moment. You see, having accepted Christ as Savior guarantees the blessing of eternity with Christ, but the new believer still has the rest of his or her life to negotiate. There are lots of things to learn, but in big churches people can get lost in the crowd and fall through the cracks, and in small churches...well, there is only so much a small staff can do. So I stumbled around for a long time, very gradually figuring out how to navigate the world and still hold to my faith in Christ. I remember thinking, "There has to be a better way than this." These discussions are part commentary, part history, part blessing, and part questioning. There's a little bit of everything. I've put considerable thought into writing these things, and I want you to get some benefit, some blessing from them. Think about what you read. You might be provoked to irritation, or to curiosity, or to laughter. Try to apply the thoughts to your life. But the bottom line is, if you don't read, you won't benefit. This first book that you are holding tries to answer some basic questions: Why should I fear God? Why should I trust Him? Who am I in Christ? What is the nature of sin? Following books talk about the Jewish Festivals and their profound meaning, about God's Constitution (Matthew chapters 5-7), about God's manifested love, what it means to be Grafted In to God's family, how to know Jesus, and what it means to abide in Christ. I hope you stick around to the end. Every life has its ups and downs and after several cycles of this, I was fed up and began to look for answers. I found this crazy new church which was meeting in a hotel conference room. I remember people all around me speaking in these strange indecipherable ways, people falling down on the floor, and generally acting nuts. I remember thinking, "Why am I here?" God had a plan, but I was not awake to it. But I stayed out of curiosity, if nothing else, and eventually God began to draw me in. Since then, God has led me on a wonderful journey. Where once I had a sort of vague notion of God, He used personal struggle to draw me closer to him. Where once I looked at everything from a performance-oriented point of view, He taught me the true value of the love of Christ. Where once I had to be doing things for Christ, He taught me the value of resting in the presence of Christ. I want people to understand these things. I want everyone to experience the intimate presence of Christ in their lives. I want everyone to see real-time answers to prayer as I have. I want people to understand that humble submission to God is the answer to every struggle, every problem, and every stress.
