SueAnn Squire, Kiora MoonWolf

Law of Attraction Jenny Hashkins, 2020-06-03 How can you be happier? What does science say about it? These and many other questions will be answered. There is a literal Q&A in this book about the law of attraction, joy, and other topics related to it. Another topic in this book, is vibrations. As some of us know (maybe you do, too), the law of attraction is based on vibrations. Those vibrations are sent out and attract the things we want because of our thoughts and behavior. Raising our vibrations, therefore, would be crucial to accomplish our dreams. Here, you will learn how to do that, because it is definitely possible. If any of this appeals to your senses, then be sure to check out the book.

Enough Geoffrey Clow, Georgie Bailey, 2025-11-12 Coercive control and narcissistic abuse aren't communication problems. They are psychological torture - a system of power designed to dismantle you piece by piece, by someone who claims to love you. It doesn't kick down the door screaming. It brings you flowers. It says, I'm just trying to take care of you. Before you know it, the flowers are wilted, the door is locked from the outside, and you can't remember the last time you made a choice that wasn't pre-approved. From the outside, everyone sees devotion. From the inside, it's demolition. **ENOUGH: What Coercive Control Steals. What Recovery Makes Possible** is a survival guide for recovery from coercive control and narcissistic abuse, written by trauma-informed counsellor Geoffrey Clow, with Georgie Bailey (nee Booker), whose forty-year story of survival forms the heart of the book. Therapy waitlists are long. Specialists are rare. Most survivors are told to work on communication with their abuser. *Enough* bridges that gap, offering clarity, validation, and practical tools that work even when you're still shaking. Inside this guide: - The exact patterns of manipulation, so you can finally see what happened - Practical steps to reclaim your reality, your choices, and your sense of self - Tools to dismantle self-blame and recognise the truth - A path back to trusting your own intuition - Permission to stop explaining yourself and start recovering Written in the same words you've searched at 3 a.m. with shaking hands. A book you'll return to again and again as you rebuild. Not theory. Not wellness slogans. Just the truth of what happened, and how to take yourself back. Recovery isn't about going back to who you were. It's about becoming who they never let you be. At some point, you stop excusing. You stop minimising. You stop believing the lies. You finally say the word that should have ended it the first time someone tried to erase you. *Enough*.

Quotes to Feel Good, Ponder and Raise Your Vibration Ken Patterson,2024-11-18 In the journey of life, words have the power to uplift, ignite passion, and inspire change. Throughout history, countless voices have shared their wisdom, offering guidance through both the ordinary and extraordinary moments we face. This book is a collection of such words, some drawn from the minds of others, and some born from my own experiences and reflections as a Transformational Life Coach. Each quote within these pages serves as a small spark, a reminder that even in times of challenge, there is potential for growth, strength, and transformation. Some quotes are simple, yet profound, while others are complex, urging us to think deeply and see the world from a new perspective. Together, they reflect the beauty and complexity of the human spirit â a spirit that is always capable of rising, no matter the circumstances. As you read through these words, I hope you find inspiration that resonates with your own life. May they provide you with courage when you need it, clarity when you're uncertain, and peace when life feels overwhelming. The quotes in this book are more than just words; they are reflections of hope, perseverance, and the belief that every day holds the possibility for a new beginning. Thank you for joining me on this journey of reflection and inspiration.
