Seeking Allah, Finding Jesus Nabeel Qureshi, 2016-04-19 In *Seeking Allah, Finding Jesus*, now expanded with bonus content, Nabeel Qureshi describes his dramatic journey from Islam to Christianity, complete with friendships, investigations, and supernatural dreams along the way. Providing an intimate window into a loving Muslim home, Qureshi shares how he developed a passion for Islam before discovering, almost against his will, evidence that Jesus rose from the dead and claimed to be God. Unable to deny the arguments but not wanting to deny his family, Qureshi struggled with an inner turmoil that will challenge Christians, Muslims, and all those who are interested in the world's greatest religions. Engaging and thought-provoking, *Seeking Allah, Finding Jesus* tells a powerful story of the clash between Islam and Christianity in one man's heart and of the peace he eventually found in Jesus. I have seldom seen such genuine intellect combined with passion to match ... truly a 'must-read' book.—Ravi Zacharias

Biblical Theology Jonathan Menn, 2025-11-21 *Biblical Theology: The Story of the Christ* covers the overall biblical storyline and shows in detail how the entire Bible ultimately is about Christ. This book does what no other book on biblical theology does: it details Christ's pre-incarnate appearances in the Old Testament, how he appears in prophecy, and how he appears typologically. More than that, the book shows how Christ is the fulfillment of all that Old Testament Israel and its

major institutions were pointing to, including the Abrahamic, Davidic, and new covenants, the nation itself, the tabernacle and temple, sacrificial system and priesthood, law, Sabbath, and feasts. Because Jesus Christ is at the heart of the biblical story, is its main character, and holds the entire Bible together, the book concludes with two important appendices: Appendix 1 shows how Christ is fully God and fully man and discusses why that is important; Appendix 2 explains the Christian doctrine that God is Trinity, showing how that idea is neither incoherent nor illogical but clearly emerges from the Bible and is reasonably understandable. In fact, because God is Trinity, trinitarian concepts have been designed into all levels of reality, from the microscopic to the macroscopic.

Summary of Seeking Allah, Finding Jesus Abbey Beathan, 2019-06-10 Seeking Allah, Finding Jesus: A Devout Muslim Encounters Christianity by Nabeel Qureshi Book Summary Abbey Beathan (Disclaimer: This is NOT the original book.) Nabeel Qureshi's spiritual journey that made him convert from Islam to Christianity. Seeking Allah, Finding Jesus is definitely an unconventional book. There are not many places where you will find a religious conversion title of this magnitude. An extremely passionate book on how Nabeel found christianity, but maybe it will be more proper to say that christianity found him... (Note: This summary is wholly written and published by Abbey Beathan. It is not affiliated with the original author in any way) All suffering is worth it to follow Jesus. He is that amazing. - Nabeel Qureshi Qureshi was very passionate about Islamism before converting to Christianity. This was troubling for him, religion is a delicate issue and on top of coping with his conversion, he started to think about his family's reaction to his new religious thoughts. He wanted to deny Islamism but not his family. A big story with a big dilemma, Seeking Allah, Finding Jesus is definitely a doozy. Sit down and witness the incredible story about how writer Nabeel Qureshi converted into Christianity disregarding all of the consequences. P.S. Seeking Allah, Finding Jesus is an extremely interesting book about the religious conversion of Nabeel Qureshi and the events that followed it. P.P.S. It was Albert Einstein who famously said that once you stop learning, you start dying. It was Bill Gates who said that he would want the ability to read faster if he could only have one superpower in this world. Searching Below the Surface Nakhati Jon, 2022-03-11 We all want to know how the God of the Bible differs from the Islamic Allah. How does a covenant-keeping God interact in the divine-human relationship? In what ways does a contract-demanding Allah vary from biblical truth? This comparative religious exploration will equip Christians to clarify the difference. Searching Below the Surface: A Deeper look at Covenant and Contract prepares the reader to present biblical truths by exposing Muslim ideas. The book unearths the often-unseen perspectives of a covenant God called Yahweh and a deity prone to contract, Allah. The book seeks to answer these questions: How does Yahweh's Oneness promote covenant understanding? How do Muslims define the Absolute Oneness of Allah? How do the Creation accounts in the Bible and Quran reflect theology? In what ways does Islam ignore a covenant ethos? What are the implications of covenant and contract when applied to marriage? Since covenant marriage patterns divine oneness in how spouses relate and share sacrificially, this mode of marriage mirrors the character of the biblical God. Marriage in the Bible reflects a relationship found in the divine Godhead and how he interacts with believers. "Nakhati Jon skillfully searches below the surface to understand the roots of the thinking of our Muslim friends and neighbors, and Christians" Patrick Cate, Ph.D. In a covenant marriage, the husband and wife become one, which means more than physical oneness but a mystical, spiritual unity that reflects the Trinity of Oneness! Nakhati Jon Oneness describes the Islamic idea concerning deity but undermines the ideas of Islamic marriage. Nakhati Jon Excerpt: On another scorching, sweltering day in Central Asia, we traveled to the capital in our rented taxi. As per custom, my wife sat in the back with our kids while I sat in the front, chatting with the driver. Dust and welcome air flew in through the open windows, and we talked loudly to drown out the wind. Then, the inevitable conversation began: Driver: Central Asian women are beautiful, aren't they? (My back prickled in response to my wife's almost-palpable eye-roll.) Me: My wife is beautiful. Driver: You should get a second wife. (I felt my wife rethinking pacifism.) Me: (Emphatically) God is one!

Therefore, I will have only one wife! Driver: Oh—this is true! (Pause) Does your wife speak the language? Me: Fluently. And she doesn't like what you're saying. Years later, my wife confessed she had ignored the illogic of the "One God/one wife" statement in return for its success as a conversation-stopper. But in researching, I happily discovered my shot at philosophy had been logical after all. In fact, my bit of accidental wisdom carried foundational truths about Yahweh's nature, his relationship with man, and his plan for marriage.

Effective Intercultural Evangelism W. Jay Moon, W. Bud Simon, 2021-08-24 We live in a multicultural society, but many Christians hesitate to engage those of other faiths about Christianity. Exploring evangelism from the perspective of four major worldviews, Jay Moon and Bud Simon unpack the intercultural dynamics at hand when sharing the gospel across cultures, offering contextual evangelism approaches that are relevant, biblical, and practical.

Toward a Healthier Contextualization among Muslims Wonjoo Hwang, 2019-01-23 Various ministry approaches have been utilized in Muslim nations in the past in order to lead lost souls into God's Kingdom. One noticeable trend in recent years in the ministry is an increasing emphasis on contextualization. While the evangelical missiological community searches for more effective contextualization models, some ad hoc proposals have complicated the issue. One representative case is the Insider Movement among Muslims, whose advocates contend that Muslim followers of Isa (Jesus) can remain within their own Islamic socio-religious community while continuing in Islamic religious practices. What is urgently needed in the contemporary discussion on contextualization is to develop a comprehensive analytical framework based on a sound biblical-theological foundation for evaluating any missiological model. After reviewing the historical development of Muslim evangelism models, this study provides such an analytical framework for developing a healthier contextualization model among Muslims and applies this framework to the Insider Movement by critically evaluating the biblical interpretations and missiological reasonings of the Insider Movement advocates. The writer calls for a healthier contextualization model among Muslims that is biblically authentic and culturally relevant.

An examination that analyzes the Quran and hadiths in hopes to dissect Islam and shed light on the much needed evidence for readers to judge for themselves. The Quran states: And do not dispute with the followers of the Book [Torah and Bible] except by what is best... [29:46]. The author wishes to present this discourse in hope that the reader will find it of value.

Dancing with Camels Mike Burnard, 2016-03-10 It would be such a waste of time if we read the book and do not move

on to a next level of followship. The journey of faith should become a cycle of faith with new levels of commitment that will be required as we start higher and deeper levels of the process time and again. Moving from discipleship to apostleship on the journey of faith will require that we sit down and count the cost once again, but this time on a higher level. Let us consider the words of A. J. Nock: The mind is like the stomach. It is not how much you put into it that counts, but how much it digests. So let us digest, act, and do.

Summary of Nabeel Qureshi & Lee Strobel's Seeking Allah, Finding Jesus Milkyway Media,2022-05-03 Please note: This is a companion version & not the original book. Book Preview: #1 The adhan, the Muslim call to prayer, is a tradition that every Muslim child should hear at birth. It is a call to dedicate your life to Allah. It resonates within you and rallies you together in unified prostration before Allah. #2 Ammi, the woman who whispered the adhan into my ears, was a selfsacrificial, loving woman who bore the noble name of Qureshi. She was calling me to prayer. #3 I was raised by my mother and sister, Ammi. My mother was a devout Muslim, and she exemplified the highest caliber of hospitality. She always seemed able to do everything. From making our food to preparing our clothes, she never seemed to fatigue or complain. #4 Ammi was a navy wife who had to play the roles of both mother and father. She chose to act swiftly and give her fear to Allah. She recited du'aa, prayers from the Quran, sections of hadith, and by impromptu prayers.

Seeking Jesus, Finding Allah Sayd Hashimi,2018-11-20 In Seeking Jesus, Finding Allah, Sayd Hashimi seeks to find the truth about Jesus, Allah and the Qur'an. His aim is to spread the truth, and foster love and peace. For those who are seeking to the find the truth in religion, in all the religions that come from God, then this book is a must read. Throughout the book we find that Jesus and the Qur'an teach in parallel lines to one another, and how Jesus confirmed by his own words and by his deeds the teachings of the Qur'an and the Qur'an, in like manner, confirms the authentic teachings of Jesus. Both Muslims and Christians are told many stories about their religion while growing up, but few ever take the time to study and research the teachings and the books of their religion to evaluate the validity of their religious learning. This book provides simple explanations to complex religious ideas and concepts in easy to understand format; citing numerous Qur'anic verses, side by side with the teachings and parable of Jesus, along with Islamic Hadith, so, that the reader can come to a natural, logical, reasonable, and truthful progression of analysis.Providing a detailed approach into the teachings of Jesus, and the Qur'an,

the book is full of great information for those who seek to know the truth; both about Jesus and the Qur'an. It explains the parables of the Jesus related to the content of the book and how not only the teachings of Jesus mirror what the Qur'an teaches, but also how Jesus was given the same teachings by the same source as the Qur'an was revealed. Engaging and thought-provoking. Seeking Jesus, Finding Allah tells a powerful story of how there is no clash between Islam and Christianity, or rather there is no clash between Jesus and the Qur'an. The clash between Islam and Christianity is created by religiously zealous organizations and individuals, whose goal and aim has always been to create division, disunity and separation among humanity. Religion that come from God is about love and peace, it is people who turn it into hate and war. Illuminating, highly engaging, striking, and heartwarming. This book is for anyone seeking truth, understanding, and peace between the two of the world's great religions.

Searching For God And Finding Allah Gene Netto, 2019-11-19 What does Islam say about Christianity, Jesus, the Trinity, the Holy Bible, and Almighty God? What does Islam say about the Absolute Truth of Islam, the Prophet Muhammad, and the Holy Qur'an (also spelled Koran)? If there is only One Almighty God, then Christians and Muslims must be praying to the same God. So, what are the differences between the two religions, and why do Muslims reject Christianity, the Bible, and Jesus as the Son of God, but still accept Jesus as a prophet of God? For non-devout and ex-Christians, this book will explain the problems with Christianity from an Islamic perspective. It will also explain that the Prophet Muhammad was sent to replace Jesus as the next person in a succession of prophets that started with the Prophet Adam and finished with the Prophet Muhammad. For Muslims who grew up without a strong religious education, this book will explain that all religions are not the same, that Christianity is no longer valid or accepted by God, and that we should use the logical brains that God gave us to understand Islam. In this book, you will discover that Islam is simply the continuation of Judaism and Christianity, that Islam is the One True Religion of Almighty God and always has been since the time of Adam and Eve, and that the Prophet Muhammad is the next messenger and also the Final Messenger from God, that Jesus promised to his followers. - Gene Netto

Finding Jesus Miriam Patrick, 2019-08-21 Finding Jesus is a compilation of testimonies when Jesus has spoken to me, whether in dreams or awake through His Holy Spirit. In 1 John 4:2, it says that if a spirit confesses that Jesus Christ has come in the flesh is from God. Jesus said to me, I forgave you the day I died on the cross in Calvary. If you wonder how Jesus has sounded in my dreams or through His Holy Spirit, I will let you know that He sounds like the Father that He is, but He also sounds like the Father you have always known. I pray that this book inspires you to get closer to God. Jesus has a lot in store for those who love Him. Jesus said that if we seek Him with our whole heart, we will find Him. If you don't know God yet, I pray that you don't wait, seek Him now because the Bible, in Isaiah 55:6, it says, Seek ye the Lord while He may be found, call ye upon Him while He is near. Also, in 1 Timothy 2:5 it states, For there is one God, and one mediator between God and

men, the man Christ Jesus.
