Stone Cold Fox Rachel Koller Croft,2023-02-14 A perfectly wicked debut thriller about an ambitious woman who, after a lifetime of conning alongside her mother, wants to leave her dark past behind and marry the heir to one of the country's wealthiest families. *now including a special bonus chapter! Like any enterprising woman, Bea knows what she's worth and is determined to get all she deserves—it just so happens that what she deserves is to marry rich. Filthy rich. After years of forced instruction by her mother in the art of swindling men, a now-solo Bea wants nothing more than to close and lock the door on their sordid partnership so she can disappear safely into old-money domesticity, sealing the final phase of her escape. When Bea chooses her ultimate target in the fully loaded, thoroughly dull and blue-blooded Collin Case, she's ready to deploy all of her tricks one last time. The challenge isn't getting the ring, but rather the approval of Collin's family and everyone else in their 1 percent tax bracket, particularly his childhood best friend, Gale Wallace-Leicester. Going toe-to-toe with Gale isn't a threat to an expert like Bea, but what begins as an amusing cat-and-mouse game quickly develops into a dangerous pursuit of the grisly truth. Finding herself at a literal life-and-death crossroads with everything on the line, Bea must finally decide who she really wants to be. Like mother, like daughter?

Reese Cooper has never felt a pull towards a woman like he does towards Jo and his Fox is desperate to claim her as their mate. After offering her a place to stay, Reese finds it difficult to resist his beautiful new roommate. But when dark magic threatens their happiness, Reese will use all of his strength to protect the woman he loves...if he's not too late. **Stone Cold Fox** is a fun, sexy, exciting read from Evangeline Anderson that will make readers want to revisit Cougarville again and again. *Author's Note: Though I have tried to handle the subject sensitively, certain events in this book may make anyone with a history of past abuse upset. Cold Max Monroe, 2018-04-20 I wanted a second chance. What I got was a repeat. She was too beautiful. Too smart. And her emerald green eyes saw too much. I wanted space-she took it away. I craved her lips-she gave me her kiss. I screwed it up-she got smart. Avoiding me is the right thing to do. I'm messed up, tortured, and probably always will be. But I still want her. Her mind. Her body. Her heart. I want it all. And this time, I'm in control. No matter what I have to do, I will make her mine. Note: Levi and Ivy's story will continue in Book Three-Fox.

Wayward Girls Susan Wiggs, 2025-07-15 After decades of bestsellers, *Wayward Girls* might be Susan Wiggs' opus. A gut-wrenching story of survival, friendship, and justice. Masterful.--Robert Dugoni, New York Times bestselling author of *The Extraordinary Life of Sam Hell* The magnificent Susan Wiggs takes a leap into the history of women..a page-turner, replete with mystery and suspense.—Adriana Trigiani, New York Times bestselling author of *The Good Left Undone* From New York Times bestselling author Susan Wiggs, a wrenching but life-affirming novel based on a true story of survival, friendship, and redemption. Set in the turbulent Vietnam era in the All-American city of Buffalo, New York, six girls are condemned to forced labor in the laundry of a Catholic reform school. In 1968 we meet six teens confined at the Good Shepherd—a dark and secretive institution controlled by Sisters of Charity nuns—locked away merely for being gay, pregnant, or simply unruly. Mairin—free-spirited daughter of Irish immigrants, committed to keep her safe from her stepfather. Angela—denounced for her attraction to girls, sent to the nuns for reform, but instead found herself the victim of a predator. Helen—the daughter of intellectuals detained in Communist China, she saw her “temporary” stay at the Good Shepherd stretch into years. Odessa—caught up in a police dragnet over a racial incident, she found the physical and mental toughness to endure her sentence. Denise—sentenced for brawling in a foster home, she dared to dream of a better life. Janice—deeply insecure, she couldn't decide where her loyalty lay—except when it came to her friend Kay, who would never outgrow her childlike dependency. Sister Bernadette—rescued from a dreadful childhood, she owed her loyalty to the Sisters of Charity even as her

conscience weighed on her. *Wayward Girls* is a haunting but thrilling tale of hope, solidarity, and the enduring strength of young women who find the courage to break free and find redemption...and justice. Compelling...This powerful and unforgettable novel is a poignant and enlightening look into a sad chapter of recent history.--Library Journal (starred review) Heart-wrenching...sweeping. This one lingers long after the last page.--Publishers Weekly *Wayward girls* is all about the power of female bonds...this isn't just a moment in time—it's a cautionary tale.—Jodi Picoult, New York Times bestselling author of *By Any Other Name* “Susan Wiggs is at the top of her game. Through the skillful weaving of an endearing cast, *Wayward Girls* displays the power of sisterhood to survive, conquer, and ultimately heal from the most harrowing of times. An evocative tale packed with resilience and secrets that kept me reading late into the night. I loved it.” —Kristina McMorris, New York Times bestselling author of *Sold on a Monday* and *The Girls of Good Fortune*

Stone Cold Souls Gregory K. Moffatt, 2008-07-30 History's most notorious and brutal killers still enjoy fame as public fascination with their lives and their crimes continues to grow. *Stone Cold Souls* is a detailed examination of the most brutal killers in history. Moffatt does what he does best by looking at historical accounts of events, analyzing them from a psychological perspective, and presenting his assessment in captivating fashion. He examines different types of killers, offers case studies and historical context, and describes what sets these cases apart from other kinds of killings. Even in a day and age where pop culture has made serial crime a mainstay of movies and books, the depravity of the killers profiled in this work will still shock even a desensitized reader. Men, women, and children alike have committed crimes so atrocious that it is hard to imagine that these events are not works of fiction. Moffatt examines the difficult questions that inevitably arise when one reads cases of unthinkable torture and cruelty. Why? Were these people simply evil or is it possible that, given other circumstances, they could have redirected their energies into more productive outlets? The author answers these questions and others and reveals the lives and crimes of these ruthless killers. *Stone Cold Souls* features such well-known cases as: Andrei Chikatilo, Marc Dutroux, Herman Webster Mudgett, Charles Ng, Leonard Lake, Lawrence Bittaker, Roy Norris, Ed Gein, Edmund Kemper, Henry Lee Lucas, Gilles de Rais, Ivan the Terrible, Richard Ramirez, Holly Ann Harvey, Sandy Ketchum, Mary Bell, Jesse Pomeroy, Josef Mengele, Marshall Applewhite, Jeffrey Lundgren, David Koresh, Jim Jones, Father Oliver O'Grady, Charles Cullin, Harold Shipman, Michael Swango, Myra Hindley, Karla Homolka, Aileen Carol Lee Wuornos, Elizabeth Bathory, Charles Sobhraj, Albert Fish, Donald Harvey, and Dennis Rader.
