Of Human Bondage is one of the most famous novels of English writer William Somerset Maugham. The novel was written in 1915. The protagonist - Philip Carey, is an orphan and is with a lame leg, which makes his life very difficult. The novel itself is considered as an autobiographic, as there are many details from Maugham's life. Maugham had a stammer, and Phillip had a club foot; as well as the main character Maugham has lost his mother when was a child and was sent to his uncle and aunt; Maugham also was very interested in art, though did not practice it himself. This all gives an impression of an autobiographic novel, but as Maugham said himself, even though this is true, the novel is not an autobiographical, most of it is fictional. The title is borrowed from Spinoza's Ethics, part IV Of Human Bondage, or the Strength of the Emotions. The idea of bondage as an inability of people to take control over their emotions became a monument point for Maugham to develop the plot. In the beginning of the 20th century 9-year-old Philip Carey became an orphan, and was sent for bringing up to his uncle in Blackstable. His uncle was a vicar and did not feel soft feelings toward his nephew, but in his house Philip found a lot of different books, which helped him to forget about his solitude. In the school, where he was sent, he was mocked at because of his club foot. These mocking made him very timid and bashful, it seemed to him that suffer was his destiny. Philip begged God to make him healthy, and after it had not happened, he was the only one he blamed. He thought that his faith was not strong enough. He hated school, and there was no way he considered continuing his education at Oxford, as his uncle wanted. Philip himself wanted to study in Germany, and he managed to achieve his aim. In Germany Philip got acquainted with Hayward and got under his influence. Hayward was talented and rather out of the common. The arguments of Hayward with other people about religion and literature left a very significant track in Philip's soul: in one moment he understood that did not believe in God anymore, was not afraid of hell, and a human should be responsible for his deeds only before himself. Having returned from Germany to England Philip met a daughter of the former Mr. Carey's assistant in Blackstable. She was about 30, mincing and rather flirtatious. At first Philip did not like her, but even though, she became soon his lover. Being very proud Philip wrote Hayward

about his love affair, describing it very vividly and romantically. But in fact when Ms. Wilkinson left he was rather relieved, but he felt a little sad because the really did not coincide with the dreams. Mr. Carey having already accepted the Philip's unwillingness to study at Oxford, sent him to London to become a clerk. But this profession was not for Philip and without friends he felt really lonely in a big city. But then he got a letter from Hayward with an invitation to go to Paris and study there art. It seemed to Philip that this idea had been maturing in his soul as well, and disregarding his uncle's objections Philip left for Paris. There he joined the artistic studio and met a girl called Fanny Price. She was rather unattractive and not neat. Nobody could stand her because of her rudeness and self-conceit, even though she had little talent in drawing. But she helped Philip to adapt to circumstances and he stayed very grateful. The life of Paris bohemia changed Philip's world outlook: he did not consider anymore ethical tasks the main for art, but as before saw the life in the spectrum of Christian virtue.

Sample Book Insights: #1 We are all products of our family mythology. stories are not only passed down, but nestled in every cell. When I thought about writing a memoir, I knew I had to write my parents' story because I am of them. Everything that happened in my childhood was underpinned by my parents' attitudes to the world around them. #2 I have a long memory. I've thought about it a lot, and I believe it has something to do with the accident. I can remember details from very early childhood onward, yet for the life of me I can never find my keys once I've put them down. #3 I had an accident when I was fifteen months old. I was sitting in a chair, and my father's enamel one-pint army mug was placed on the table in front of me. I reached up to grab the handle, and my dress melted into my skin when the tea was scalding hot. I was shot up with penicillin, which saved my life. #4 I loved the place I grew up, despite the fact that I couldn't wait to leave and travel. I returned to Cranbrook last year, which is my hometown, and was overwhelmed by the memories.

**Spinoza's 'Ethics'** J. Thomas Cook, 2007-11-15 The Ethics is one of the undisputed masterworks of early modern philosophy. In this single volume Spinoza offers the reader an unorthodox account of God, a novel version of the mind-body relation, a systematic theory of the emotions and a detailed prescription for human virtue and blessedness. Too controversial to be published during his lifetime, it was surreptitiously printed by Spinoza's friends after his death. Nowadays the Ethics is studied in university classes as an exemplary work of early modern rationalism. In Spinoza's 'Ethics': A Reader's Guide, J. Thomas Cook explains the philosophical background against which the book was written and the key themes inherent in the text. The book then guides the reader to a clear understanding of the text as a whole, before exploring the reception and influence of this classic philosophical work. This is the ideal companion to study of this most influential and challenging of texts.

*Christian Hope among Rivals* Michael W. Zeigler, 2017-08-29 Hope is a widespread, if not a universal, human experience. For centuries, followers of Jesus of Nazareth have ordered their lives around a central hope. How is their experience similar to or different from others who live by hope? This book seeks an answer in the idea that living by hope involves living within a peculiar story of the world--an incomplete story. The stories that shape these hopes are threatened by evil, however it may be defined--the hopeful struggle as characters caught up in plots that move toward resolution. They exercise an as-yet unverified hope that evil will not prevail. In this regard, the hope of Christians is similar to others. Yet, it is different because they wait for the God of Jesus to transform the world to match the promise he made to Abraham. To arrive at this conclusion, this book takes a detour through four model life-organizing stories. Christians and participants in other stories-of-the-world may not agree on the ultimate ground for hope. However, taking a detour into the hopeful experience of another may help uncover a place where rivals can stand together long enough to talk. Michael Zeigler's insightful text rightly returns us to the immense power of life-organizing stories. The Christian description of reality continues to mold and shape our individual narratives, imbibing them with meaning found in the cross and empty tomb--the place where the essential conflict between God, sin, and humanity is resolved. Ever gracious, *Christian Hope Among Rivals* invites Christians into meaningful conversation with other traditions without surrendering the profound hope that is offered in Christ alone. --Joel Oesch, Associate Professor of Theology, Concordia University Irvine

**Of Human Bondage** W. Somerset Maugham, 1915-01-30 *Of Human Bondage* is a novel by W. Somerset Maugham published at 1915. It is generally agreed to be his masterpiece and to be strongly autobiographical in nature, although Maugham stated, This is a novel, not an autobiography, though much in it is autobiographical, more is pure invention. Maugham, who had originally planned to call his novel *Beauty from Ashes*, finally settled on a title taken from a section of Spinoza's *Ethics*. The Modern Library ranked *Of Human Bondage* No. 66 on its list of the 100 best English-language novels of the 20th century. Summary : The book begins with the death of Helen Carey, the much beloved mother of nine-year-old Philip Carey. Philip has a club foot and his father had died a few months before. Now orphaned, he is sent to live with his aunt Louisa and uncle William Carey. Early chapters relate Philip's experiences at his uncle's vicarage. Aunt Louisa tries to be a mother to Philip, but his uncle takes a cold disposition towards him. Philip's uncle has a vast collection of books, and Philip enjoys reading to find ways to escape his mundane existence. Less than a year later, Philip is sent to a boarding school. His uncle and aunt wish for him to eventually attend Oxford. Philip's disability and sensitive nature make it difficult for him to fit in with the other students. Philip is informed that he could have earned a scholarship for Oxford, which both his uncle and school headmaster see as a wise course, but Philip insists on going to Germany. In Germany, Philip lives at a boarding house with other foreigners. He enjoys his stay in Germany. Philip's guardians decide to take matters into their own hands and they persuade him to move to London to take up an apprenticeship. He does not fare well there as his co-workers resent him, because they believe he is a gentleman. He goes on a business trip with one of his managers to Paris and is inspired by the trip to study art in France. In France, Philip attends art classes and makes new friends, including Fanny Price, a poor and determined but talentless art student ... Biography : William Somerset Maugham CH (/ˈmɔːm/ mawm; 25 January 1874 - 16 December 1965), better known as W. Somerset Maugham, was a British playwright, novelist and short story writer. He was among the most popular writers of his era and reputedly the highest-paid author during the 1930s. After losing both his parents by the age of 10, Maugham was raised by a paternal uncle who was emotionally cold. Not wanting to become a lawyer like other men in his family, Maugham eventually trained and qualified as a physician. The initial run of his first novel, *Liza of Lambeth* (1897), sold out so rapidly that Maugham gave up medicine to write full-time. During the First World War, he served with the Red Cross and in the ambulance corps, before being recruited in 1916 into the British Secret Intelligence Service, for which he worked in Switzerland and Russia before the October Revolution of 1917. During and after the war, he travelled in India and Southeast Asia; all of these experiences were reflected in later short stories and novels... Extrait : It was a week later. Philip was sitting on the floor in the drawing-room at Miss Watkin's house in Onslow gardens. He was an only child and used to amusing himself. The room was filled with massive furniture, and on each of the

sofas were three big cushions. There was a cushion too in each arm-chair. All these he had taken and, with the help of the gilt rout chairs, light and easy to move, had made an elaborate cave in which he could hide himself from the Red Indians who were lurking behind the curtains. He put his ear to the floor and listened to the herd of buffaloes that raced across the prairie. Presently, hearing the door open, he held his breath so that he might not be discovered; but a violent hand piled away a chair...

**English Literature** E. R. Kostro,2002 English literature is the mother lode to English-language speakers and deservedly so. The English have a rich history of writing with lights so bright they bedazzle the student: Shakespeare, Byron, Keats, Bronte, Shelly, Dickens, Chaucer and on and on. Yet English literature also competed with French, Russian, Chinese and many other literatures on the world stage. How has the language effected the literature? Does the English speaker feel drawn to Shakespeare the same as a Russian does to Pushkin? Did England fully share in the literary movements of the day? Can a small country possess the literary firepower to keep up with the giants? Does it matter? This new book presents an overview of the entire field of English literature as well as a selective bibliography indexed by subject, author and title for easy access.
