**Christopher Henley**

**The Power of Words** J. Martin, Reverend, 2016-06-04 There is simply no value put on words, we can all speak them; they don't cost any money, as they are free to all they are simply not appreciated. Words, however, are the reason that one person lives a life of abundance while another person lives a life of lack. Words can open doorways that hands can not. They can break down invisible boundaries. A few words can destroy life or breathe new life into a withering one. Words can fill a person full of happiness or fill them full of despair. Words can build up a person's confidence, or take it crashing to the ground. As most people do not value their words, they misuse them, which allows the power of their words to work against them. They want to go in one direction, but their words push them in another. This conflict is what most people battle with each day. They ask God to grace their lives with favor, health and abundance, but their words keep them in a life full of disappointment, sickness, and lack. In this book, I want to share with you the correct way to harness the power of your words, so instead of holding you back, they propel you towards the life that you desire. The life that you were destined to live. I will draw from personal experience and Scripture to illustrate how positive thoughts and words can be used to overcome every challenge that stands in your way. I will share how important it is to stop the habit of talking idly about your problems and instead focus on speaking about solutions. Knowing is not enough; we must apply. Willing is not enough; we must do.- Johann Wolfgang von Goethe Pick up your copy today by clicking the BUY NOW button at the top of this page.

**The Power of Words** Anthony Vandyke, 2024-02-07 The Power words is needed in the world today, there is so much political unrest and uncertainty in America and beyond. To combat negativity in the universe there is an urgency to speak positive words into the atmosphere. Most people speak from their fears and frustrations, rather than having an optimistic outlook while facing trials and difficulty. Life seems unfair sometimes, but we must learn to navigate through deep waters to find dry ground. Positives words can serve as a parachute and a life preserver when facing difficult times. Make the investment in yourself and change your outlook in life in 31 days and beyond.

**The Power of Words** Mariano Sigman, 2024-05-23 Discover the transformative power of words and conversations in The Power of Words, the profound and inspiring international bestseller by renowned neuroscientist Mariano Sigman. 'A comprehensive toolkit for anyone looking to elevate their communication and improve themselves' - Matt Abrahams, author of Think Faster, Talk Smarter We have hundreds of conversations every week, offline, online and even in our heads. But have

you ever stopped to think about the words you use? The way we describe ourselves and the world around us shapes our decisions, emotions and actions. Mariano Sigman, the world-leading neuroscientist and bestselling author, shows that conversation is one of the most important tools for positive change, better relationships and improved critical thinking. Drawing on extensive research, he demonstrates that our minds are much more malleable than we think, and even the smallest shifts in our language can transform our habits and our perceptions. By understanding this, we can break free from patterns of limiting beliefs and tackle the disinformation we all face daily. Offering practical guidance based on the latest psychology and neuroscience, this witty and intelligent book urges us to be open to the possibility of our own fallibility. By embracing conversations as a tool for growth, we can learn to communicate better with others and, most crucially, ourselves, giving us a more rewarding and successful life. 'Bursting with absorbing ideas and practical guidance. A must-read for anyone keen to understand the profound impact of language on ourselves and society' – Erica Dhawan, author of Digital Body Language

change attitudes, and create solutions? Words can do all these things and much more. They have the potency to redefine personalities, lives, and entire communities. **THE POWER OF POSITIVE WORDS** Theo Wolmarans, 2020-11 The Lord Jesus said in 'Mark 9:23', all things are possible to him who believes. After reading this book your words will change everything around you. Your words will change your family, your friends, your circumstances, your lifestyle, your productivity, your surroundings. Nothing you have ever done will more greatly impact your life, as your words will do, as a result of this book. Few people understand the power of words. David did when he said to Goliath, This day the Lord will give you into my hands. Joshua did when he said, Sun, stand still over Gibeon, and moon over the valley of Aijalon. JOSHUA 10:13 - So the sun stood still in the midst of heaven and did not hasten to go down for about a whole day. 14 And there has been no day like that, before it or after it, that the Lord heeded the voice of a man... Peter did when he said to the lame man in Acts 3, Stand up on thy feet and walk, and he leapt and walked and praised God. God's words are seeds, LUKE 8:11, 1 PETER 1:23, MARK 4:14 God's power is not divided up equally among all His words. No, each of God's words carry all of God's power. Every seed has within itself the power to produce its own harvest. Just like a mango tree with thousands of mangoes in one mango seed. Whether you speak positively or negatively, your words have power, they are seeds. You will have whatever you say, negative or positive (MARK 11:23,

NUMBERS 14:28, PROVERBS 18:21). Learn to let your words work for you and not against you. Learn the power of positive words. This book will raise your faith to levels you never dreamed possible. A whole new world of possibilities will open up to you as a result of strong faith.

The Power of Words Christopher Henley, 2018-11-11 The Words we use become the life we choose. Our words are an outward expression of what we are experiencing physically, emotionally, financially, in fact, in every aspect of our life. By giving thought, real thought, to the words we use every day we bring about dramatic changes in our life. But, that takes effort and who wants to do that? Who knows how to do that? We are hypnotized from a very early age into thinking that words are just words. When we pay attention to the impact our words have on others, however, we realize just how powerful they are. When we learn more about the power words can have not only on our everyday life but how deeply they can affect our level of happiness and well being, we start to think differently about the words we use when speaking to others, about the words we use when we talk to ourselves. When we look around at how people speak to each other, how we speak to others, it is easy to see... it may be time to take another look at the Power of Words .
