The IntenSati Method Patricia Moreno, 2010-01-05 Imagine a workout that isn't a mindless chore but a life-affirming, body-transforming joy. Feeling great about yourself and living a life you love every day. Experiencing inner peace -- and achieving thinner peace at the same time! Now this can be your reality with the revolutionary mind/body fitness program that puts it all together: Intent (one's plan or purpose) + sati (the Sanskrit word for mindfulness) = The IntenSati Method. Renowned fitness expert Patricia Moreno has created a revolutionary mind/body fitness program so powerful, it's changing bodies and lives everywhere. Her philosophy behind IntenSati goes light-years beyond the traditional grinding workouts that get us nowhere fast and usually leave us discouraged and unmotivated. When your mind creates positive emotion during a physical workout, you actually change your body's chemistry, enabling you to not only shed the pounds but gain clarity and purpose. IntenSati fuses empowering affirmations and positive psychology with groundbreaking exercises drawn from dance, yoga, martial arts, aerobics, and strength training -- and illustrated here step by step -- to create total transformation, inside and out, and help you to: • Liberate the inner -- and the thinner -- you • End yo-yo dieting forever • Banish emotional eating and binging • Train your mind to think healthier and be healthier • Rid your life of bad habits, negative thoughts, and self-defeating behaviors • Cope with stress, anxiety, and depression • Become a stronger, more beautiful person on both the inside and the outside. What the worldwide bestseller *The Secret* did for manifesting profound life change, *The IntenSati Method* does for remodeling both mind and body -- because you are what you think you are. This is the beginning....

Business Bullseye Allan Mason, 2009 This book provides readers with clear and concise answers on what it takes to make their business a success. It goes beyond the traditional bookkeeping activity of measuring past performance, putting a couple of ads in the paper and hoping things will work out. It takes the guesswork out of running a business and shows readers how to create a clear and unimpeded path forward to making their plans a reality. In purchasing this book readers can also download useful software valued at over \$500. Supported with testimonials from leading business owners and entrepreneurs such as Dick Smith, Bob Carr and many others, *Business Bullseye* is divided into three sections. The first deals with setting (and sticking to) goals and aspirations, then provides various tools for success, and finally presents case studies and business templates for readers to work with. By opening this book, readers will be lifted out of the mire and learn how to run their business in a more proactive and successful manner.

This is the story of a man who miraculously woke up after a catastrophic accident left him unable to talk or eat, with his left side completely paralyzed, and with no memories of his past or who he was. He spent the next five years piecing together his past and relearning how to speak, eat, and walk—all things the doctors had assured his family he would never do again. This book gives us his story and the methods he used to achieve what conventional wisdom said was impossible—and serves as an inspiring, helpful guide for readers who want to replicate his success in their own lives.

When we share our stories we connect with each other and we become better humans. *S P E A K* is a love letter to my story and everyone in it, as well as an invitation to speak your own story. I believe in letting our love speak by loving our story like it's our job and sharing our story with others. Quotes by Paulo Coelho Lilith Regan,2020-04-12 When you want something, all the universe conspires in helping you to achieve it.Remember that wherever your heart is, there you will find your treasure.Tell your heart that the fear of suffering is worse than the suffering itself. And no heart has ever suffered when it goes in search of its dream.There is only one thing that makes a dream impossible to achieve: the fear of failure.One is loved because one is loved. No reason is needed for loving.When a person really desires something, all the universe conspires to help that person to realize his dream.So, I love you because the entire universe conspired to help me find you.Don't waste your time with explanations: people only hear

what they want to hear.Waiting is painful. Forgetting is painful. But not knowing which to do is the worst kind of suffering.Every blessing ignored becomes a curse.
