Masonic Rites and Wrongs Steven Tsoukalas,2021-05-17 Is Freemasonry compatible with Christianity? Many Masons answer yes, but even they are often ill-informed of official Masonic teachings. What are the secret doctrines of the Lodge, what do the rituals mean, and do they conflict with biblical truth? Find out in this thoroughly researched exposé of Freemasonry—an eye-opener to those both inside and outside the Lodge.

Character Counts Michael Glenn Maness,2010-12

Should A Christian Be A Mason? David W. Daniels,2011 ... If you are a Mason, or are thinking of becoming one ... If you are not a Mason, but want to understand Masonry in the light of Christianity and the Bible ... If you are a Christian, and you think Masonry is completely compatible with Bible-believing Christianity This book is for you. Using quotations from the official publications of Masonry, author David Daniels will help you to find out what Masonry teaches, compared to what the Bible says. For Christians, the Bible is our only reliable source to learn who God is, and what He wants for us, including how to get our sins forgiven and have eternal life in heaven with Him. You must be able to answer this question with confidence and understanding: Should a Christian be a Mason? To do that, we need to find out these things: Where did Masonry come from? What do Masons believe? Who can we trust for our information? Who is God, according to these trusted authorities? Is the God of the Bible the same as the god of Masonry? By the end of this book you will be able to answer these questions for yourself.

Changing World Religions, Cults & Occult ,

Fundamentalism & Freemasonry Gary H. Leazer,1995 Freemasonry, fundamentalists claim, is based on universalism; it is a religion that denies the doctrines of Christianity; it uses suspicious signs and symbols; and it denies the deity of Christ. These and other issues are discussed and refuted in *Fundamentalism & Freemasonry*.

Encyclopedia of Cults and New Religions John Ankerberg,John Weldon,1999 Brief synopses of more than 30 influential groups, including the Integral Yoga Institute, Tibetan Buddhism, and the Human Potential movement, are also covered. Each major group is contrasted with traditional biblical teachings for easy comparison and study. Straightforward organization and clearly marked sections make [this book] easy to use. Other helpful features include: brief summaries of basic tenants and sources of authority; helpful charts for quick reference; an in-depth doctrinal appendix for further study... -- BACK COVER.

Lodge of the Double-Headed Eagle William L.
