All You Can Do is All You Can Do Art Williams,2024-03-19 Art Williams began his career doing what he loved - coaching high school football. A family tragedy changed his direction when his father died and he learned the hard way that whole life insurance was a scam. After he did his research, he determined that term Life was a far better deal - but most insurance companies sis not sell that type of policy. He decided he would. Years later he would become the largest insurance company in the United States and term life became the best policy type folks could buy. In the process, Art became a billionaire, but more importantly hundreds of his fellow termites would become multimillionaires and policy owners would be awarded far larger pay-outs when a family loved one would pass. His story and success is here.

A Guide to Fast and Effective Reading Derya Ünal,2025-06-10 When people think of speed reading, they often put it down to just speed reading. However, this is only a small part of the overall process. The key to truly effective speed reading is to first be able to determine what you really want to read or what you need, and then quickly read through carefully selected material. Take a moment to mentally review all the information that comes your way on a typical day: at home, at work, in the newspapers at the local coffee shop. How much of it do you ignore because it seems like too much to take on, instead you leave it to pile up and pile up until you're so far behind that you need days or weeks to catch up. If you had a simple process that allowed you to quickly and easily identify the information you needed and eliminate the ones you didn't, you wouldn't have that body of knowledge and you'd have more time to live your life instead of worrying about what you might miss out on because you feel overburdened. The purpose of this book is to give you the tools you need to stay current. With a one-week work program and study exercises, it allows you to work by solving the exercises by having fun in an easy and understandable way. At first, read the information provided for 7 days, and then do the exercises as directed.
