

Binding 13 Trigger Warnings

Robert Böttner,Hermann-Josef Blanke

Healthy Christian Minds Elmer John Thiessen,2024-09-19 We live in polarizing times. In this book Elmer Thiessen dares to suggest that the solution to the deep divides in our contemporary world and in the church is not to be found in more information, more education, more rationality, or more critical thinking. Instead, we need to cultivate intellectual virtues, such as the love of knowledge and truth, intellectual humility, and committed openness. The penultimate chapter treats intellectual virtues that are more relational in nature—intellectual forbearance, fairmindedness, and intellectual courage. The book explores the biblical and theological grounding of each intellectual virtue and reveals its practical importance for our fractious times, making use of concrete examples throughout. Each of the central chapters begins with a questionnaire aimed at promoting self-examination and stimulating reflection about the virtues and vices under consideration. This is a book for the thoughtful Christian reader aimed at transforming the way we think.

Binding Belle Andie M. Long,2025-11-28 A paranormal fairy tale re-telling... of a vampire, a beast, and a library with secrets. They said that Once Upon a Time a man was cursed to appear as a beast until someone could love him beyond his looks. But what if the beast was content living alone in his rambling house? What if he liked being feared by those around him? After Isabel attempts to break into Beast's home in search of his library, he finds himself intrigued by the nervous stranger who will stand up to him over literature. Against his better judgement he offers her a job of cataloguing the titles, with just one rule... to not wander into one private room. Yet how can Isabel keep her curiosity to the library when Beast's life appears to be the ultimate untold tale? This is the third book in Andie M. Long's dark and twisted fairy tale re-tellings. Wicked words with happy forever afters.

Treaty on the Functioning of the European Union - A Commentary Robert Böttner,Hermann-Josef Blanke,2024-06-07 The Commentary on the Treaty on the Functioning of the European Union (four volumes) is a major European project that aims to contribute to the development of ever closer conceptual and dogmatic standpoints with regard to the creation of "Europeanised research on Union law". Following on from the Commentary on the Treaty on European Union, this book presents detailed explanations, article by article, of all the provisions of the TFEU, discussing the application of Union law in the national legal orders and its interpretation by the Court of Justice of the EU. The authors are academics and practitioners from all across Europe and different legal traditions, some from a constitutional law background, others experts in the field

of international law and EU law. Reflecting the various approaches to European legal culture, this book promotes a system concept of European Union law toward more unity notwithstanding its rich diversity grounded in national traditions.
