Covidivorce Vittoria Venus,2023-02-20 I actually do have Covid to thank for my Divorce so when the two words magnetised themselves together, it depicted my situation perfectly. One day when my grumpy Ex persisted to whinge at me at the way I was hanging out his washing after 32 years of marital non-bliss I had one of many epiphanies at the time. I could not be married to this man any longer. This autobiography stems from my childhood memories in Kiev right through to current day, and everything in between. The Good, The Bad, The Ugly and the Erotic. It is about my darkness and more pivotally my awakenings. When life gives you lemons, trust the Universe to serve you some sugar and make lemonade with them. For Darkness always passes, as certainly as the sunrise on an emboldened new day.

Mysticism in Newburyport Peter James Ford,2023-03-26 MYSTICISM IN NEWBURYPORT is a seven-book series revealing ancient secrets from masters of all cultures along with modern-day breakthroughs by scientists and quantum physicists of our times. These tales began flowing after Peter's powerful spiritual awakening in Newburyport, Massachusetts. Newburyport is a quaint little, historic seaport on the coast of Massachusetts heading towards New Hampshire. Peter had been sober in the 12-step recovery program for many years and had recovered from his alcoholism. Peter's love of Nature had brought him to the Newburyport area. This area is rich with Nature's treasures, Native American Heritage and many tales from the tall cargo ships of olden days. High street was lined with homes of these Sea Captains. Peter's awakening had given him new eyes and new highly evolved senses. Peter was to have powerful past lives experience with his Mystery Woman guide named Layne. Layne was a mystic that would tell people things about themselves that there was no way she could know. She would look you in the eyes and tell you your deepest secrets. She also knew about the Earth's electromagnetic grids and helped Peter understand what he was experiencing in Newburyport. Peter's new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport. Market

Square was one of the crossroads for these powerful electromagnet energies that gives life to our planet. Peter was to share the secrets that were revealed to him in his writings.

Sike Fred Lunzer, 2025-05-20 A story of boy meets girl meets AI therapist, Sike explores our aching pursuit of love and self-control Adrian earns his living writing lyrics for rappers he never meets, and finds success with a hit song about his own

fruitless search for love. After his last relationship ends in a spiral of angst, Adrian decides it's time to try Sike: the new lauded and elite AI psychotherapy app that tracks your every move and emotion, and guides you toward mental contentment. He soon falls for Maquie, a smart and pragmatic venture capitalist scouring London's tech scene for the next business boom. She can see no potential investments though, nothing sparkles. She wants to find a business as successful as Sike, and yet she is also one of the holdouts who refuse to use it. Shifting between Adrian and Maquie's perspectives as it tracks the fraught first year of their relationship, Sike is a story of two people wrestling with connection, identity, anxiety, success, and the limits of our obsession with self-analysis and awareness. Bob Marley Quotes Sreechinth C, It was in the eleventh day of the fifth month of 1981, malignant melanoma, a dangerous breed of cancer, took away the life of one of the most influential singer of the modern era, Robert Nesta Bob Marley. At that day, it was not just the 2 million Jamaicans who were shocked, the whole world wept with them, the whole world wept, hearing the early departure of the king of Reggae. Before he left us at the very age of 36, Bob Marley contributed not only a collection of everlasting music, but also a cluster of memorable quotes which let us think, or feel the way he thought about the world and how he wanted us to inspire. Like we can feel Bob in his unique model songs, we can experience the mind state of Bob Marley in his sayings too. Though he perished, we can evocate his virtual self inside the realm of our mind. The book, *Bob Marley Quotes*, is filled with his quotations on different categories like Music, Motivation, Religion, Inspiration, Humanity, Racism, Relationship, etc. This book will be a valuable collection for anyone who is fond of him or want to learn more about Bob.

The 27s Eric Segalstad, 2008 Jimi Hendrix. Janis Joplin. Jim Morrison. Brian Jones. Kurt Cobain. Founding bluesman Robert Johnson. All died at 27. Their stories, as well as those of ill-fated members of the Grateful Dead, The Stooges, Badfinger, Big Star, Minutemen, Echo & the Bunnymen, and The Mars Volta, are here presented for the first time as a profound and interlocking web that reaches beyond coincidence to the roots of artistic causality and fate.
