*Coined* Kabir Sehgal, 2025-05-01 A New York Times and Wall Street Journal Bestseller From New York Times bestselling author Kabir Sehgal, an informative, rousing, surprising history of the one thing that makes the world go 'round: money. The importance of money in our lives is readily apparent to everyone--rich, poor, and in between. However grudgingly, we are all aware of the power of money--how it influences our moods, compels us to take risks, and serves as the yardstick of success in societies around the world. Yet because we take the daily reality of money so completely for granted, we seldom question how and why it has come to play such a central role in our lives. In *Coined: The Rich Life of Money And How Its History Has Shaped Us*, author Kabir Sehgal casts aside our workaday assumptions about money and takes the reader on a global quest to uncover a deeper understanding of the relationship between money and humankind. More than a mere history of its subject, *Coined* probes the conceptual origins and evolution of money by examining it through the multiple lenses of disciplines as varied as biology, psychology, anthropology, and theology. *Coined* is not only a profoundly informative discussion of the concept of money, but it is also an endlessly fascinating and entertaining take on the nature of humanity and the inner workings of the mind.

**Zondervan NIV Matthew Henry Commentary** Matthew Henry, 2010-09-21 Time has sealed the reputation of Matthew Henry's classic commentary as a rich source of insight into God's word. Four centuries after its first publication, it remains one of the best-loved, most popular commentaries ever written. However, while its wisdom is timeless, the English language has changed much through the years. Words that meant one thing in Matthew Henry's day have taken on different meanings today. In addition, Henry's often wordy reflections are generations removed from the crisp style that communicates most effectively to contemporary readers. The Zondervan NIV Matthew Henry Commentary is a masterful response to these concerns. It delivers the heart and soul of Henry's incomparable writings in a style that is easy to read and understand. -Dr. Leslie Church's meticulous abridgment retains the essential content of the original work. - Easily misunderstood words have been replaced with modern ones while keeping Henry's style. - Use of the New International Version (NIV) instead of the King James Version makes this edition fully compatible with today's most widely used Bible translation. In one volume, here is a wealth of exposition, metaphors, analogies, and illustrations, ideal for - Personal devotions - Bible study - Sermon and lesson preparation

**The Good Book of Prayer** Dorothy Stone Harmon, 2019-12-19 The Good Book" is a term that people have frequently used to refer to the Holy Bible. This phrase differentiates the Bible from other religious texts. The first section of The Good

Book of Prayer captures biblical references that describe five specific purposes of prayer. In the second section, these purposes are then identified in the prayers of numerous familiar people in the Bible. A “Think About It” section following each chapter allows the reader time to meditate and find personal truths from the text.

*A New Model of the Authentic Church* Robert Fuggi, 2018-02-08 In American church culture, worldly benchmarks of achievement have all but blinded us to the true purpose of the body of Christ. A New Model of the Authentic Church may be one of the most significant books written on the American church in decades. It not only offers a scholarly analysis of the current state of the church, but provides practical solutions. The book offers a brilliantly well-developed model for how to make church work more effectively. If implemented, it would provide a much needed paradigm shift in how we do church in America. The book's main contribution is that it provides a workable framework not only on how to birth new missionally minded churches, but how to reform existing ones back to the Authentic Church of the gospels. If its principles are taken and applied, the book could alter the landscape of the American church, which will be a breath of fresh theological air to a church that has lost its way in the new millennium. The purpose of this book is not to just challenge and change the status quo; its goal is to bring a real, lasting transformation to how we do church. The aspiration in writing this book is for it to be seen and read not just as a critical assessment of the condition of the American church, but as a practical blueprint that will provide much renewed hope and purpose to the contemporary American church, the bride of Christ.

*From Eden to Golgotha* H. H. Charles, 2021-04-23 As is well known, there are various versions of the Bible. But what is perhaps more important to understand is that the various versions of the Bible are the result of the work of thousands of unknown and unknowable persons who worked over several millennia on the text of various written records in different languages. Biblical authorities and scholars who have studied and interpreted these texts usually arrive at a consensus of a correct, or nearly correct, version of the biblical text. Accepting that today's biblical texts result from studied consensus of the texts of the Bible, *From Eden to Golgotha* offers interpretations and suggested understandings that challenge and/or contradict standard and accepted interpretations. Some examples: Why did God select the Jews as his chosen people? Is there a basis for the universal condemnation of sex? Of divorce? Did God conclude he made a mistake in creating mankind? Having foretold millennia ago the fate of the Jewish people, does history down to this day document his foretelling? How much of Jesus' examples and teachings have been ignored by those who today flaunt their “Christianity”? Has G. K. Chesterton's insight that “it's not that Christianity has been tried and failed. It's that Christianity has never been tried” been proven true?

**Climb The Mountain** Andrea Edin, 2025-10-08 *Climb The Mountain* invites you to ascend the slopes and sit at the feet of Christ as He delivers the Sermon on the Mount. Through each chapter, you'll explore His radical teachings in Matthew 5-7

and trace their deep roots in the Law and the Prophets. You'll see how every word points to His ultimate sacrifice—and how it was all for you. This study doesn't just unpack familiar commands like "turn the other cheek" and "go the extra mile"—it reveals their intent and how Jesus fulfilled them perfectly at the cross. You'll gain a fresh perspective on discipleship grounded in grace rather than striving. The Sermon on the Mount isn't merely a call to live differently. It's a revelation of what Jesus has already accomplished for His people. Come prepared for transformation as you journey with Him through His Word.

*World Christian Trends Ad30-ad2200 (hb) ,2001*

Reclaiming the Bible from the Enlightened Doug McNaught,2007-11 Should Christians concede ground as far as the Bible is concerned? Do the enlightened experts have a mortgage on the truth or can Christians simply believe the Bible in confidence. Reclaiming the Bible from the Enlightened gives each Christian confidence to believe and obey the Bible knowing that they are remaining true to their own God and Saviour. We don't have to give ground to unbelievers or feel that our minds are inferior.

**God In A Bod** Mike Yeager,2019-08-14 In the Bible, there are four biographies of Jesus written by master storytellers. Matthew, Mark, Luke, and John all tell the story of Jesus' time on earth from unique perspectives with the goal of convincing every reader that Jesus is good and worth following. Over the years, though, to make it more readable people added things to these biographies (also called gospels). They broke the biographies up into chapters, and added numbers to mark verses and even put the words into columns. Again, this was to help make these Jesus stories easier to read. But, to me, all of those things can actually make it more difficult to read. I don't like the stories of Jesus feeling like a textbook. I like the stories of Jesus feeling like... stories. So, I took the stories of Jesus, removed those numbers and titles and columns... and gave the words breathing room so they can tell the story of Jesus as well as possible. Whether it's your first time reading these stories or your hundredth, I hope you get a sense of the power of the story of Jesus and how He's good and loving and worth trusting. I hope His story impacts the story you're living.
