**Something About a Highlander: Books 1-3** Angeline Fortin,2025-04-15 Auld Donell is once again up to his old tricks in Angeline's steamy, heart-warming time travel romance series, Something About a Highlander. Picking up where the Laird for All Time series left off, our favorite time travel matchmaker and mischief maker is changing an uncertain future by altering the past and challenging three young women to test the limitations of time and explore the possibilities of love. Catch up on the stories of Bronte, Aila, and Ginny now before book four releases! Book 1: A Scot to Remember - When Bronte Hughes discovers a device that allows her to slip through time, she decides the key to obtaining true love for herself lies in mending the tragedies of the past and restoring a legacy of love fate has robbed from her family... Book 2: A Good Scot is Hard to Find - Aila Marshall cannot deny the lure of a mystery three hundred years in the making and a hunt for a lost treasure. Book 3: A Scot Worth Having - Weary of her ex-husband's relentless pursuit, Ginny Hughes flees to the one place he can never find her — the past. Now, she's traded one battlefield for another as she finds herself on the Culloden moor in time to witness the Jacobite's final bloody stand against the Hanoverian army.

**The Complete Christmas Books of Lucy Maud Montgomery** Lucy Maud Montgomery, 2023-12-23 In The Complete Christmas Books of Lucy Maud Montgomery, the beloved Canadian author of *Anne of Green Gables* presents a charming collection of festive tales that explore themes of family, love, and the spirit of giving. Set against the backdrop of early 20th-century rural Canada, these stories capture the warmth of holiday gatherings, the innocence of childhood, and the poignant beauty of the winter season. Montgomery's prose, imbued with her signature lyrical style and vivid descriptions, immerses readers in a world where tradition and nostalgia intertwine, making it ideal for those seeking both entertainment and reflection during the holiday season. Lucy Maud Montgomery (1874-1942) was a pioneering author whose narratives often drew on her own experiences growing up in Prince Edward Island. Her deep appreciation for the landscape, coupled with a profound understanding of human emotions, profoundly influenced her writing. Montgomery's work frequently reflects her values and insights on community life and personal relationships, making her Christmas stories resonate with authenticity and emotional depth that transcends time. For readers yearning for heartwarming holiday tales that evoke a sense of belonging and joy, *The Complete Christmas Books of Lucy Maud Montgomery* is an essential addition to any literary collection. Whether you are revisiting childhood favorites or discovering her stories for the first time, Montgomery's collection provides a rich tapestry of festive spirit that will enchant and inspire readers of all ages. In this enriched edition, we have carefully created added value for your reading experience: - A comprehensive Introduction outlines these selected works' unifying features, themes, or stylistic evolutions. - The Author Biography highlights personal milestones and literary influences that shape the entire body of writing. - A Historical Context section situates the works in their broader era—social currents, cultural trends, and key events that underpin their creation. - A concise Synopsis (Selection) offers an accessible overview of the included texts, helping readers navigate plotlines and main ideas without revealing critical twists. - A unified Analysis examines recurring motifs and stylistic hallmarks across the collection, tying the stories together while spotlighting the different work's strengths. - Reflection questions inspire deeper contemplation of the author's overarching message, inviting readers to draw connections among different texts and relate them to modern contexts. - Lastly, our hand-picked Memorable Quotes distill pivotal lines and turning points, serving as touchstones for the collection's central themes.

Thoughts for My Children Frank Sanders, 2022-12-07 My purpose in writing this short book is to share my thoughts with my loved ones, especially the children in my life. I hope these words will be a lasting legacy to my children and grandchildren as they grow up and after I am gone. None of these thoughts are original or insightful. They are simple truths and ideas. But young people seldom take the time to sit down and think about basic things. As people like me get older, we see young people make mistakes or suffer or destroy relationships and friendships over simple and obvious issues. I have often looked

back and wished I had made some small things part of my approach much earlier in my life. I still often wish I could impart some time-gathered wisdom to my children and grandchildren to smooth their path, allow them to avoid mistakes, and give them a long-term perspective in this short-term, short-sighted world. This book is my effort to share some of what I have learned. These short chapters are not an exhaustive examination of the topics under discussion. Rather they are straight to the point and simple as a grandfather would make the point to a young person who is not excited about sitting down for a long discussion about meaning of life issues with Granddad. I hope the young people who read these words will get the gist. For those who need more depth, hopefully, these words will get the discussion started. I plan to share this book with my grandkids. I hope it will be of interest to them. But just as important, I hope this book will be read and appreciated by many grandparents who love their grandchildren. Maybe my words will give them a chance to have a short discussion with their own loved ones. They can share all or some of the points as they see fit. They can share my thoughts and add to them their own take. If they agree with me, this may be an easy way to share some truth and advice. If they disagree, this will be a good place to begin the conversation. I pray that once the habit of discussion with their grandchildren is established, they can share other thoughts that are important to them. God speed, Frank Sanders

**Buried Alive** Warren Stuckey, 2016-03-07 Have you ever wondered whether it was possible for someone who has committed the worst act one human can take against another to be redeemed? In this collection of poetry, author Warren Stuckey explores that question. He presents the real story of someone who beat the odds, never realizing that his ingrained psychosis was intentionally orchestrated. These verses reveal how a person's streets, family, friends, and enemies all play crucial roles in determining what he or she is capable of doing. In the end, however, each person must carry his or her load; that is where the blame stops and the change occurs. The mind can reboot itself when light and wisdom are found. In these poems, Stuckey seeks to reach out to people where they are, in whatever lives they have chosen, and let them know that their lives matter. This collection of poetry offers a reflection on the trials one man has faced in his life with the intention of helping others see and understand themselves for who they truly are.

Mapping Strategic Diversity Dany Jacobs, 2009-10-19 In his influential work, *Strategy Safari*, Henry Mintzberg and his colleagues presented ten schools of strategic thought. In this impressive book, Dany Jacobs demonstrates that the real world of strategic management is much wider and richer. In *Mapping Strategic Diversity*, Jacobs distinguishes between 'cockpit theories' of strategy, which bring rational analysis to the forefront, and process-oriented social science approaches, which bring in a wider array of influences to the theory and practice of business planning. Presenting 22 different approaches to strategy making, this book: provides a comprehensive overview of the field guides the reader in developing theoretical and practical skills helps develop both high and low level strategic thinking This textbook is a useful analysis for practising managers, but really comes into its own as an advanced introduction to the field of strategic management; having read this

book, students are fully armed to enter the strategy jungle!
