It works to develop awareness in order to help the aspiring actor evolve, grow and mature as a performer. Acting is an art that comes from oneself -- no tricks, no special techniques. Every great artist begins as a craftsman then develops into an artist. Each of the 100 plain-speaking lessons in this book is brief and deals with an essential truth. The book is divided into 5 sections: Approach, Fundamentals, Classes and Rehearsals, Performance and Final Lessons. A supplemental work for students and professionals.
