The Morcai Battalion: The Recruit Diana Palmer, 2014-11-25 A forbidden romance blossoms between a human combat surgeon and an alien military commander as they fight together for peace in this thrilling space epic. A prophecy foretold: Three years after the unprovoked attack on a peaceful colony, the war between the Rojok dynasty and the Tri-Galaxy Fleet rages on. Born of that war is the Morcai Battalion, a fleet comprised of Centaurians and humans—the first collaboration of its kind and a step toward an intergalactic alliance. But the fragile union is tested as their courageous commander in chief, Dtimun, is faced with the temptation of the forbidden—and human—Dr. Madeline Ruszel. A combat surgeon, Ruszel is aware of the danger of inciting a Centaurian's interest, even if he is the most intriguing of men. Besides putting their mission at risk, personal relations between their kinds are still outlawed. But a prophecy that touches on both their lives and the future of all alien nations hints that a greater unity may be theirs for the taking . . . if they, and their crew, survive in the battle for peace. Praise for Diana Palmer and her work "A high-octane and gritty space adventure." —RT Book Reviews on *The Morcai Battalion* "Fans of stark outer space military science fiction will appreciate this sobering at war thriller." —The Best Reviews on *The Morcai Battalion* "Palmer . . . is the queen of desperado quests for justice and true love." —Publishers Weekly on *Dangerous*

**Indrajal Comics 91 - 105 The Phantom** Lee Falk, Indrajal Comics began publishing self-titled monthly issues in March 1964. Each of the first 10 issues had 16 pages of Phantom comics. The stories had to be edited to fit this short format. The

remaining 12 pages were dedicated to other content, similar to Gold Key's style. In the next 19 issues it became 20-24 pages. As the series continued, different characters would share the spotlight. Characters such as Flash Gordon, Mandrake the Magician, Bahadur, Kerry Drake, Rip Kirby, Garth, Mike Nomad and Buz Sawyer appeared - as well as Disney characters Robin Hood and Mickey Mouse along with Goofy, but the majority of the series spotlighted The Phantom. So much so that the series is often erroneously referred to as The Phantom instead of the correct Indrajal Comics. In due course the publication became fortnightly and then weekly by 1981. The numbering of books which was simply sequential in the beginning then changed to have the typical volume and a number. Indrajal Comics #444 was labeled as Vol.20 and No.1. The front cover design changed with distinct banner containing the title Indrajal Comics with a small circle showing the face of the main character. A total of 803 Indrajal Comics were published, excluding #123 and #124 which were not printed due to industrial strike action. More than half of these issues contained Phantom stories. The publishing stopped in 1990. The cover artwork for the first 50 or so issues of Indrajal Comics was done by B.Govind, with the back cover featuring a pin-up poster. His artwork became very popular and even said to have matched the artwork on the covers of international phantom publications such as Gold key or Frew. To avoid confusion among Indian readers, there were some minor changes done to the name of the Phantom's location and some characters in stories published in Indrajal Comics. The term Bengali or Bengalla or Bengal was changed to Denkali and in some issues Dangalla as well. This was since there is a state called Bengal in India and this may lead the readers to wonder about the Pygmy people that don't exist in Bengal. The name of the Singh Brotherhood was changed to Singa Brotherhood and the killer of the father of the current (21st) Phantom was changed from Rama to Ramalu although the latter too is one of the common names in India. Apart from English, Indrajal Comics published the stories in at least a dozen other Indian languages including Hindi, Bengali, Tamil and Kannada. Contents: Issue #91 The Dilemma Issue #92 The Giant Termites Issue #93 Mysteries Of The Pharaoh Issue #94 The Enchanted Land Issue #95 Night In Denkali Issue #96 Mysterious Guide Issue #97 The Tiger Girl Issue #98 The Phantom And The Bad Ones Issue #99 The Witch Queen Issue #100 The Phantom's Death Issue #101 The Satchel Issue #102 The Floating City Issue #103 Villain's Paradise Issue #104 The Ghost Tribe Issue #105 The Drummer Of Timpenni This collection was only possible thanks to all the comic fans around the world! Please note that these are scans of old comic books & as such will show wear & tear with age, most fans feel this only adds to the experience but if you are looking for perfect copies unfortunately they do not exist, we believe this is the best available.

**Where We Live** Randy Cunningham, 2024-06-01 Drawing on extensive interviews he conducted with environmental activists across rural and urban Appalachia and the Midwest, Randy Cunningham analyzes what motivates activists, how they strategize, and what issues they encounter. An indispensable guide to the on-the-ground realities of environmental activism in contemporary America. Randy Cunningham's Where We Live analyzes key aspects of environmental activism through the

perspectives of those who know the field best: activists themselves. Each chapter grapples with a different topic. Readers thus come to know not only the stories of individuals and groups in their specific struggles. Cunningham's sharp analysis also enables readers to grasp how their struggles are related to one another. This book will be invaluable to activists looking for a better understanding of their own work as well as to historians, sociologists, and anthropologists conducting research on environmentalism in the contemporary United States. **Seoulless Night** Lee Reilly, 2010-09-20 When Rebecca literally ran into Mitch Stine, one of the US government's top anti-terrorist agents, in a deserted corridor sparks flew. Little did she know that the short encounter made her a person of interest in an international terrorist plot with far reaching consequences? For Mitch the encounter with the feisty Ms. Mills was entertaining but raised concerns about her presence in the restricted corridor and her possible connection to the death threats against the US's top military leaders. It also brought her under the scrutiny of Long Soo, a Korean businessman with ties to the international underworld. Soo is in the final stages of bringing his lifelong dream for the reunification of Korea to fruition and won't let anything or anyone stand in his way. Not one to leave loose ends, Soo has Rebecca investigated and followed, something that did not go unnoticed by her or Stine. It was a case of being at the wrong place at the wrong time that leads Rebecca on a wild chase across several continents and into a danger filled adventure of a lifetime. It would test her in ways she never thought possible.
