Heroic Leadership Scott T. Allison, George R. Goethals, 2013-07-04 Heroic Leadership is a celebration of our greatest heroes, from legends such as Mahatma Gandhi to the legions of unsung heroes who transform our world quietly behind the scenes. The authors argue that all great heroes are also great leaders. The term 'heroic leadership' is coined to describe how heroism and leadership are intertwined, and how our most cherished heroes are also our most transforming leaders. This

book offers a new conceptual framework for understanding heroism and heroic leadership, drawing from theories of great leadership and heroic action. Ten categories of heroism are described: Trending Heroes, Transitory Heroes, Transparent Heroes, Transitional Heroes, Tragic Heroes, Transposed Heroes, Transitional Heroes, Traditional Heroes, Transforming Heroes, and Transcendent Heroes. The authors describe the lives of 100 exceptional individuals whose accomplishments place them into one of these ten hero categories. These 100 hero profiles offer supporting evidence for a new integration of theories of leadership and theories of heroism.

Steven Spielberg's Children Linda Ruth Williams, 2025-08-12 Why has Steven Spielberg's work been so often identified with childhood and children? How does the director elicit such complex performances from his young actors? Steven Spielberg's Children is the first book to investigate children, childhood, and Spielberg's employment of child actors together and in depth. Through a series of lively readings of both the celebrated performances he elicits from his young stars in films such as E.T.: The Extra Terrestrial, A.I.: Artificial Intelligence, and Empire of the Sun, as well as less discussed roles in films such as War of the Worlds, The BFG, and Jurassic Park, this book shows children to be key players in the director's articulation of childhood since the 1970s. Steven Spielberg's Children presents children and childhood in some surprising ways, not only analyzing boyhood and girlhood according to Spielberg, but considering children as alien, adult-children who refuse to grow up, and children who aren't even human. It discusses the way in which children have served to cast Spielberg as a sentimentalist, but also how they are more frequently framed as complex, cruel, and canny. The child might be dangled as bait in an exploitation horror scenario (Jaws), might become the image of universal higher beings (Close Encounters of the Third Kind), or might be a young cultural creator like the director was himself (The Fabelmans), born with a camera glued to [his] eye. The child, on both sides of the camera, is a resonant image, signifying all that adult culture wants it to be, yet resisting this through authorship of their own stories. The book also looks at Spielberg's young actors in the long history of child stars in theater and cinema, and how Spielberg's children have fared as performers and celebrities.

A Life in Frocks Kelly Doust, 2010-11-01 A Life in Frocks is about the 'divine obsession' - a woman's love for clothes. In particular, it is a personal, entertaining, joyous and seductive exploration of the significance of clothes, filtered through one woman's life-long sartorial infatuation. For as long as she can remember, Kelly Doust has been passionate about clothes. They are her first, and most enduring, love affair to date. Like the vast majority of women, she adores the playfulness of

fashion and its endless ability to transform. She loves the ritual and drama of getting dressed, assuming different identities in different outfits and exploring the many facets of her personality. She buys far too many glossy magazines, and puzzles over how she can spend half her life shopping and yet still find herself with nothing to wear. Over the years, clothes have comforted her, given her confidence, lured lovers, made her invisible, secured jobs, aged her and given back her youth. And yes, they have betrayed her. A beautifully illustrated mix of memoir, philosophies and fantasies, *A Life in Frocks* is a book for those who love clothes and find fashion beguiling, fickle and fabulous.
