The American Songbook Ann van der Merwe,2016-12-22 With their unforgettable melodies, timeless messages, and stylistic indebtedness to both jazz and Broadway, American popular standards have proven to be among the most widely performed and enjoyed songs of the past century. Shaped in many ways by the technological and cultural developments of the early twentieth century, they have also managed to transcend these origins and become an enduring part of the American musical landscape. Ann van der Merwe explores how and why American songbook standards developed in the early twentieth century and how these standards have shaped American—and even global—musical culture ever since. The American Songbook explores key aspects of individual songs, including the musical and lyrical reasons for their broad appeal and applicability over the years. The American songbook continues to permeate the fabric of our daily lives. It is a repertoire that spans generations, from Fred Astaire to Tony Bennett and Lady Gaga. As a result, music lovers both young and old will enjoy discovering how these beloved songs emerged and why they remain relevant a century later.

Captain Beefheart's Trout Mask Replica Kevin Courrier,2007-03-23 In the spring of 1969, the inauspicious release of Captain Beefheart and the Magic Band's Trout Mask Replica, a double-album featuring 28 stream-of-consciousness songs filled with abstract rhythms and guttural bellows, dramatically altered the pop landscape. Yet even if the album did cast its radical vision over the future of music, much of the record's artistic strength is actually drawn from the past. This book examines how Beefheart's incomparable opus, an album that divided (rather than) united a pop audience, is informed by a variety of diverse sources. Trout Mask Replica is a hybrid of poetic declarations inspired by both Walt Whitman and the beat poets, the field hollers of the Delta Blues, the urban blues of Howlin' Wolf, the gospel blues of Blind Willie Johnson, and the free jazz of Ornette Coleman. This book illustrates how Trout Mask Replica was not so much an arcane specimen of the avant-garde, but rather a defiantly original declaration of the American imagination.

The Mystery Method Mystery,Chris Odom,2007-02-06 One of the most admired men in the world of seduction (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, The Game. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from average frustrated chumps. The Mystery Method: How to Get Beautiful Women Into Bed shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always

approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile.

Defiance Carole Maso,1999 Bernadette O'Brien: child prodigy/professor of physics at Harvard'sentenced to die in the electric chair for the shocking murder of two male students. In her journal/her death book as she calls it?Bernadette takes a dark look back at the unfolding events that led to the extraordinary crime for which she stood trial.Defiance pulls us into the world of a lonely, defiant, brilliant woman'a misfit child, a girl-genius who left the working class, Irish Catholic world of Fall River, Massachusetts'a stone's throw away from Cambridge'who entered the halls of academic privilege at the age of 12, and

stayed to rise within its ranks. In the incandescent, erotically charged prose for which she is known, Maso probes the depths of a female psyche 'inextricably embedded in a uniquely American matrix of sexuality, violence, and the clash of class difference' as no writer before her has done.' Carole Maso has galvanized audiences across the country and won critical esteem and literary awards.' Compare Defiance to current hits like A.M. Homes' The End of Alice, Cronenberg's movie Crash, and Susanna Moore's In the Cut.
