Summary of Set Boundaries, Find Peace Alexander Cooper, 2021-07-09 *Summary of Set Boundaries, Find Peace* Set Boundaries, Find Peace is an outstanding and the most recent self-help book by Nedra Glover Tawwab; an experienced therapist who has worked in helping many people deal with unhealthy relationships. The book kicks off with the author sharing a preview of her life. She explains how drained she was when going through life saying yes to every request from people. That was until she discovered the benefits that lie in setting boundaries. With this discovery, she moved from someone who always has unfulfilling relationships to someone who finds confidence, and happiness in boundaries setting which in turn brings about healthier relationships. In the introduction to *Set Boundaries, Find Peace*, Nedra Glover Tawwab discusses how in her fourteen years of being a therapist, she noticed that most of the problems people sought to solve are problems caused by lack of boundaries. The book gives an in-depth analysis of what boundaries are and all it entails. Relationships are demanding and if there isn't a limitation set in place, one can be certain of feeling burnout, overwhelmed and somewhat resentful. These are not only caused by the lack of time for the many ostensible responsibilities in every relationship but by the inability to turn down requests or express a feeling of discomfort. The book explains the different subtle, unhealthy, and unsuccessful ways in which boundaries are created while proffering a lasting, healthy and effective solution to creating boundaries. Not only this, the book prepares you for the different reactions to expect from implementing boundaries as stated in this book. To achieve boundary setting, Nedra Tawwab gives practical steps to follow regardless of the type of relationship you are setting it for. Me Before You Summary Ez-summary, 2017-03-09 Me Before You: A Complete Summary! Me Before You is written by Jojo Moyes. Things become more serious and complicated when we find out that the main protagonist of the book is a quadriplegic male, who lives a bitter and resentful life. ease. Moyes keeps the mood of the novel in a perfect balance between light and provocative. After this introduction is a summary of the entire novel.
