

Gaither Give It Away

Dwight Macdonald

Give it Away Gaither Vocal Band, 2006 All 15 songs from GVB's highly anticipated 2006 release. This warm blend of traditional and contemporary songs includes: Bread upon the Water * I'll Tell It Wherever I Go * My Journey to the Sky * Glorious Impossible * Worthy the Lamb * and more.

The Gaithers and Southern Gospel Ryan P. Harper, 2017-04-26 In *The Gaithers and Southern Gospel*, Ryan P. Harper examines songwriters Bill and Gloria Gaither's Homecoming video and concert series--a gospel music franchise that, since its beginning in 1991, has outperformed all Christian and much secular popular music on the American music market. The Homecomings represent southern gospel. Typically that means a musical style popular among white evangelical Christians in the American South and Midwest, and it sometimes overlaps in style, theme, and audience with country music. The Homecomings' nostalgic orientation--their celebration of traditional kinds of American Christian life--harmonize well with southern gospel music, past and present. But amidst the backward gazes, the Homecomings also portend and manifest change. The Gaithers' deliberate racial integration of their stages, their careful articulation of a relatively inclusive evangelical theology, and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic, nor solely southern. Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base. Pulling from his field work at Homecoming concerts, behind the scenes with the Gaithers, and with numerous Homecoming fans, Harper reveals the Homecoming world to be a dynamic, complicated constellation in the formation of American religious identity.

Godey's Lady's Book, 1883

Chase's Calendar of Events 2008 w/CD-Rom The Editors of Chase's, 2007-09-17 "The bible of special occasions."--Los Angeles Times 12,500 entries. 194 countries. 365 days. 50 years and counting! From his years as a newspaper librarian William D. Chase knew of the need for a single reference source for calendar dates and for authoritative and current information about various observances throughout the year. William and his brother, Harrison, decided to create such a reference themselves. They set to work collecting, compiling, verifying, editing and proofreading the events that would make up the first Chase's Calendar of Events. Fifty years later, Chase's Calendar of Events is still the most comprehensive and

authoritative reference available on special events, holidays, federal and state observances, historic anniversaries and more. Chase's starts its next fifty years with: Milestones such as Quebec's 400th founding anniversary, Minnesota's statehood sesquicentennial and NASA's 50th birthday. New birthdays such as literary lion and Nobel laureate Orhan Pamuk, soccer superstar Cristiano Ronaldo, stars from TV's "Heroes" and "Ugly Betty" and newly elected heads of state worldwide. Events from the Games of the XXIX Olympiad at Beijing, China, the Dakar Rally and Euro 2008 in Austria/Switzerland to the US's major party conventions and presidential election. Search Chase's Anyway You Want! Whether you want to target a specific date, location or subject, our fully searchable CD-ROM* makes your research quick and easy. Also included is a free installer, so you can load Chase's directly to your hard drive. *PC-compatible only

Ford Foundation Dwight Macdonald, 2017-07-12 Thirty years since it was first published, Macdonald's masterful book on the Ford Foundation remains the only book-length account of this institution that has been published. Despite the calls for a book carrying on the story from 1956 on the part of Richard Magat and McGeorge Bundy, that book has yet to be written. In his stimulating introduction to this new edition, Francis Sutton suggests why this is so. The Foundation, he observes, has never again aroused as much public interest as it did in the years Macdonald's describes. The announcement that a new program would be launched with the riches that 90 percent of the Ford Motor Company's stock would bring captured the attention of the media all across the country. Its sheer size was astounding; in 1954 the Ford Foundation spent four times as much as the Rockefeller Foundation and ten times as much as the Carnegie Corporation. Its expenditures were very large in relation to the budgets of the institutions that looked to it for help. Consequently, the American public waited expectantly to see what this huge foundation would do. But the Ford Foundation was not only big; it was controversial in those years, and inspired activism in the media, Congressional investigations, and political wrath. Macdonald nicely captures the American ambivalence toward large bureaucratic organizations, which the Ford Foundation epitomizes, with its own language and, one might argue, its own values. Sutton points out that Macdonald's writing also sets a model for foundation history and indeed philanthropic history, with a poised, ironic detachment that has remained rare. His introduction points out the main themes of Macdonald's book and examines the extent to which they continue to illumine the foundation in the years since this book was first published. It looks at how well the Foundation has addressed the objectives it set for itself, and nicely captures the giant changes that this giant foundation has experienced through the 1960s and 1970s, to the present day.

Gospel Music Encyclopedia Robert Anderson, Gail North, 1979 Provides alphabetically-arranged biographical sketches of gospel musicians, a discography, a list of gospel music stations, and the music and lyrics of several songs.

The Upper Tanana Dene William E. Simeone, 2023-06-01 The Upper Tanana Dene conveys the history and knowledge of Dene elders to current and future generations. Oral accounts reveal a unique and compelling perspective on a traditional way

of life and offer fascinating commentary on a holistic way of life that is as relevant today as it was generations ago. These narratives, along with photographs and illustrations, show the history of the region alongside a detailed portrait of the people themselves. As young Dene migrate to towns and cities far from their homeland on the upper Tanana River of east central Alaska, they may never learn what it was like living from the land. In these interviews elders express concern that young Dene are becoming ignorant of the traditions that made their ancestors disciplined and strong enough to withstand the rigors of life on the land. The old life was taxing and made demands on the body and soul, and the struggle to achieve security placed a premium on knowledge, endurance, and constant effort. Modern conveniences have made life easier, but elders believe their knowledge is still vital to the survival of future generations. With text in both Dene and English, *The Upper Tanana Dene* is a link to Dene experiences, lives, and understanding of the world and is meant for those interested in Dene heritage, as well as students and scholars of cultural and ethnic studies and history.
