*Learn to Live 5: God's Amazing Problem Solver* William D. Reid,2021-08-13 The Bible is the greatest problem-solving book ever written. It explains what's wrong with the world and how to fix it. It clarifies what is wrong with humanity and how to fix it. The Bible demonstrates clearly what works and what doesn't work when we are trying to fix our messed up lives. When God spelled out the "dos and don'ts" for successful living, he said, "Trust me on this." When Jesus explained the plan of salvation through his death and resurrection, he said, "Trust me on this." When Paul wrote to his churches, he was always careful to explain that righteousness and salvation are through Jesus Christ alone. He clearly proclaimed, "Trust Jesus Christ on this." Problem-solving is really fairly simple. We must learn to trust God, trust Jesus Christ, and trust the Word of God. The Bible is very good at identifying the problem and then listing the solutions to the problem. Understanding is the easy part. Application is the hard part. Every successful person understands the words read, study, learn, practice, and work hard. They are excellent words for every Christian who wants to succeed and win.

**God and America** Bradley T. Farrar,2016-04-15 Americans no longer have the luxury of water cooler debates between ACLU members and the religious right over whether someone may be irreparably harmed by hearing a prayer before a high school football game. There are people around this world, which is getting smaller, more crowded, and easier to access than ever before, who are really into their religionand they are interested in how you feel about that. They love and consider their god to be exclusive. They dont believe your god is equal to theirs, and they dont care how that strikes you. Political correctness does not impress them. Their god does.

Rumors of God Darren Whitehead,Jon Tyson,2011-07-18 Discover a faith that goes beyond doubt and reveals how God continues to fulfill his promises today just as he did in biblical times, unlocking true purpose and fulfillment in our busy, modern lives. Where is the life God promised us? In the midst of our fast-paced schedules and endless distractions, we often push God to the background, struggling to believe that his promises are still relevant. He seems distant, and the abundant life Jesus spoke about doesn't seem possible. When we hear that God wants to give, say, and show us more, we assume it's just a rumor. But what if God really is calling us to something more--a life of deeper purpose, fulfillment, and peace today and right now? In Rumors of God, Jon Tyson and Darren Whitehead challenge us to reimagine what it means to live a life shaped by faith. They invite us to close the gap between the promises we've heard and the reality we experience, helping us see how God's presence and power are at work even in our modern, everyday lives. This book is more than a reminder--it's a call to rediscover a God who is active, present, and moving among us. For those feeling weary, jaded, or uncertain about how faith fits into today's world, Rumors of God offers a fresh perspective on God's timeless promises.
