Discover practical beginner steps to initiate your path toward self-exploration and personal growth. The Author Lisa Colaso-Govias is an intuitive coach and spiritual healer, with expertise in various modalities including EFT, NLP, hypnotherapy, Akashic reading and healing, and Reiki. Tiger in a Lifeboat Lauren Cibene, 2025-05-06 When her certainties crumbled, she found a fierce new truth far from home. After a shattering betrayal tore through her faith and identity, writer Lauren Cibene clung to the fragments of a life once totally defined by evangelicalism. In the wake of her betrayal, she wrestled with anxiety, borderline agoraphobia, and depression while her faith community tried to rush through her grief. That's when Cibene spontaneously abandoned the familiar for the unpredictable: India. As she journeys through the riot of Kolkata, the markets of Jaipur, the sacred ghats of Varanasi, and more, she confronts the ghosts of her past, the wounds of her present, and the specter of her future. Every encounter, fumbling with a sari in a dim rest stop bathroom, staring into the flames of funeral pyres, holding the hands of people living with leprosy, puts her one step closer to reclaiming her trust in humanity, the Divine, and herself. Like Pi in *Life of Pi*, she finds an unlikely survival companion in her own fierce, resilient spirit, a tigress waiting to be unleashed. *Tiger in a Lifeboat* is an intimate, immersive, and honest testament to travel's transformative power, the reclaiming of self-trust in a world that often strips it away, and the slow, ultimately beautiful journey back to oneself.

NPE* A story guide for unexpected DNA discoveries LeeAnne R. Hay, 2021-10-15 Genealogy is a fun hobby until the results of a consumer DNA test reveal a devastating secret. **NPE* A STORY GUIDE FOR UNEXPECTED DNA DISCOVERIES** is an authentic resource for people uncovering a new identity, their loved ones, and genealogists who encounter NPEs in a family tree. There is no more fundamental human need than to belong – first to a family, and then to others. My story and research over three years provide information and support to guide readers. Relatable insights and true stories are presented that address the initial shock of discovery, suggestions about communications, new ethnicities, family recognitions and

rejections, and the history of illegitimacy. NPEs are found in all races, religions, and socio-economic groups in every country where consumer DNA tests are sold. By 2022, 142 million people worldwide will take DNA tests for genealogy and medical information. Ten to fifteen percent will discover they are NPE, like me. (*Non-paternity event is a genetic genealogy term for a break in the family line/name, when your 'Dad' is not your biological father.)

The Christmas Field Barb Bissonette,2023-07-20 Rachel Knight was only seven when she decided to do her bit for the environment and plant her holiday spruce trees, instead of discarding them when Christmas was over. Much to her delight, her uncle dedicated an unused field on his farm for the trees, and it became a symbol of hope for her. The hope was not only for the trees to live on, but for Rachel's family life to improve, since it was coasting along on a cloud of alcoholism and discord. Her father and uncle transported and planted every Christmas tree after that to The Christmas Field, representing the years as they passed. Some years were joyful, and some were sorrowful. Several small crosses also lay amongst the replanted trees. As time went on, life became a terrible struggle for Rachel, and sometimes seemed insurmountable. She was brave and strong, however, and the path she carved for herself was a courageous one. Christmas is often depicted as a Hallmark card or movie, full of celebrations, laughter, and making merry. But in reality, this doesn't happen for a lot of people, especially children, who are caught in the crossfire of marital strife, alcohol abuse, and parental stress. This timeless story about old anger and childhood sorrow is also a story about holiday joy, deep love, and hard-won forgiveness, all things that should comprise Christmas day, and every day of our lives.

Cape Rage Ron Corbett,2024-03-19 Danny Barrett is caught between a family of criminals and the psychopath who is tracking them in the latest novel of the series the New York Times calls, Dynamite. The FBI has a hundred undercover agents who can work in the city, but Danny Barrett is the one they call when they need someone to investigate crimes in the wilderness. This case is a particularly difficult one. For more than a century the Danby family have ruled as kings in their corner of the Pacific Northwest. The Feds were mostly willing to look the other way while the family smuggled everything from liquor to cigarettes across the border, but lately things have taken a darker turn. A recent bank robbery in Seattle looks like it may have been committed by the Danbys, but there's no way the FBI can get any locals to turn against them. Only Danny Barrett has what it takes to get inside the organization and shut them down. But before Danny can do that he's going to have to contend with Henry Carter, a former in-law and current psychopath. The Danbys thought they left Henry for dead in the deepest part of the woods, but he's coming back. He'll go to hell to get his revenge, and he's willing to take the whole family with him.

Black Girls Must Be Magic Jayne Allen,2022-02-01 “Masterfully written and pitch perfect, *Black Girls Must Be Magic* is, simply, magic.”—Good Morning America In this highly anticipated second installment in the *Black Girls Must Die* Exhausted series, Tabitha Walker copes with more of life’s challenges and a happy surprise—a baby—with a little help and lots of love from friends old and new. For Tabitha Walker, her grandmother’s old adage, “Black girls must die exhausted” is becoming all too true. Discovering she’s pregnant—after she was told she may not be able to have biological children—Tabitha throws herself headfirst into the world of “single mothers by choice.” Between her job, doctor’s appointments, and preparing for the baby, she’s worn out. And that’s before her boss at the local news station starts getting complaints from viewers about Tabitha’s natural hair. When an unexpected turn of events draws Marc—her on and off-again ex-boyfriend—back into her world with surprising demands, and the situation at work begins to threaten her livelihood and her identity, Tabitha must make some tough decisions about her and her baby’s future. It takes a village to raise a child, and Tabitha turns to the women who have always been there for her. Bolstered by the fierce support of Ms. Gretchen, her grandmother’s best friend, the counsel of her closest friends Laila and Alexis, and the calming presence of her doula Andouele, Tabitha must find a way to navigate motherhood on her own terms. Will she harness the bravery, strength, and self-love she’ll need to keep “the village” together, find her voice at work, and settle things with Marc before the baby arrives?
