If Only I Could Tell You Hannah Beckerman, 2019-10-15 "I loved it (even though it made me cry)." —Jojo Moyes For fans of *This Is Us* comes a story of a family divided and the secret that can possibly unite them – a life-affirming novel with a twist will break your heart and an ending that will put it together again. A secret between two sisters. A lifetime of lies unraveling. Can one broken family find their way back to each other? Audrey's dream as a mother had been for her daughters, Jess and Lily, to be as close as only sisters can be. But now, as adults, they no longer speak to each other, and Audrey's two teenage granddaughters have never met. Audrey just can't help feeling like she's been dealt more than her fair share as she's watched her family come undone over the years, and she has no idea how to fix her family as she wonders if they will ever be whole again. If only Audrey had known three decades ago that a secret could have the power to split her family in two, and yet, also keep them linked. And when hostilities threaten to spiral out of control, a devastating choice that was made so many years ago is about to be revealed, testing this family once and for all. Once the truth is revealed, will it be enough to put her family back together again or break them apart forever? "Utterly compelling and completely heartbreaking. I couldn't put it down." — Ruth Hogan "Totally engrossing, achingly sad and so perceptive about the corrosive legacy of family secrets." —Kate Eberlen, author of *Miss You*

If Only I Could Tell You Hannah Beckerman, 2019 Audrey's family has fallen apart. Her two grown-up daughters, Jess and Lily, are estranged, and her two teenage granddaughters have never been allowed to meet. A secret that echoes back thirty years has splintered the family in two, but is also the one thing keeping them connected. As tensions reach breaking point, the irrevocable choice that one of them made all those years ago is about to surface. After years of secrets and silence, how can one broken family find their way back to each other? A life-affirming novel with a twist that will break your heart and an ending that will put it together again. --
