## Alexander McCall Smith

**The Quiet Side of Passion** Alexander McCall Smith, 2018-07-31 Isabel finds herself grappling with ethically-complex matters of the heart as she tries to juggle her responsibilities to friends, family, and the philosophical community. With two small boys to raise, a mountain of articles to edit for the Review of Applied Ethics, and the ever-increasing demands of her niece, Cat, who always seems to need a helping hand at the deli, Isabel barely has any time for herself. Her husband, Jamie, suggests acquiring extra help, and she reluctantly agrees. In no time at all, Isabel and Jamie have a new au pair, and Isabel has an intelligent assistant editor to share her workload. Both women, though, have romantic entanglements that threaten to interfere with their work, and Isabel must decide how best to navigate this tricky domestic situation. Can an employer ever inject herself into her employees' affairs? Meanwhile, Isabel makes the acquaintance of Patricia, the mother of Charlie's friend Basil. Though Isabel finds Patricia rather pushy, she tries to be civil and supportive, especially given that Patricia is raising her son on her own, without the help of his father, a well-known Edinburgh organist, also named Basil. But when Isabel sees Patricia in the company of an unscrupulous man, she begins to rethink her assumptions. Isabel must once again call on her kindness and keen intelligence to determine the right course of action, at home, at work, and in the schoolyard.

**A Distant View of Everything** Alexander McCall Smith, 2017-07-18 In this installment of the beloved Isabel Dalhousie series, Isabel is called upon to navigate complex social situations both at home and in her community. A new baby brings an abundance of joy to Isabel and her husband, Jamie—but almost-four-year-old Charlie refuses to acknowledge Magnus, and Isabel struggles to impress upon her older son the patience and understanding that have guided her throughout her own life. These are the very qualities that bring Bea Shandon, an old acquaintance, to seek Isabel's help. Something of a matchmaker, Bea has introduced a wealthy female friend to a cosmetic surgeon, but soon uncovers information leading her to doubt his motives. Isabel agrees to find out more, but as her enquiries take an unexpected turn, she starts to wonder whom exactly she should be investigating. As ever, Isabel's intelligence, wit, and empathy come to her aid as she grapples with issues like friendship and its duties, the obligation of truthfulness, and the importance of perspective.

**The Sunday Philosophy Club** Alexander McCall Smith, 2005-07-12 ISABEL DALHOUSIE - Book 1 Nothing captures the charm of Edinburgh like the bestselling Isabel Dalhousie series of novels featuring the insatiably curious philosopher and woman detective. Whether investigating a case or a problem of philosophy, the indefatigable Isabel Dalhousie, one of fiction's

most richly developed amateur detectives, is always ready to pursue the answers to all of life's questions, large and small. In this first installment, Isabel is attending a concert in the Usher Hall when she witnesses a man fall from the upper balcony. Isabel can't help wondering whether it was the result of mischance or mischief. Against the best advice of her no-nonsense housekeeper Grace, her bassoon playing friend Jamie, and even her romantically challenged niece Cat, she is morally bound to solve this case. Complete with wonderful Edinburgh atmosphere and characters straight out of a Robert Burns poem, *The Sunday Philosophy Club* is a delightful treat from one of our most beloved authors.

*The Forgotten Affairs of Youth* Alexander McCall Smith, 2011-12-06 The eighth delightful installment in the ongoing saga of the life and loves of Isabel Dalhousie. As the editor of an applied ethics journal, Isabel Dalhousie is usually tucked away in her editorial office, in the comfortable Edinburgh house she shares with her fiancé and their young son, and does not often meet many fellow philosophers. But while helping in the delicatessen owned by her niece, Cat, she meets Jane Cooper, an Australian philosopher who is spending a sabbatical in Scotland. Isabel learns that Jane needs to find out something about her past. Jane was born in Scotland but taken to Australia as a baby by her adoptive parents. She knows who her mother is, but her father's identity is still a mystery. Can Isabel help Jane uncover this important and potentially unsettling information? And in Isabel's own life, there is the ever-present question of marriage, and also the perennially difficult issue of her relationship with Cat, whose choice of men is as dubious as ever.

*The Uncommon Appeal of Clouds* Alexander McCall Smith, 2012-10-23 Isabel, Jamie and Charlie are off to Highland Perthshire to visit an old schoolfriend of Isabel's, who married into a family of wealthy newspaper owners. The weekend is a success apart from one thing: Charlie witnesses a fox being shot by the estate manager, and is very upset. A few weeks later, the Edinburgh press reports a major art theft from the friend's Highland estate, including a valuable Dutch masterwork that was going to pay the estate tax. In helping her friend and the team of lawyers to negotiate the ethical dilemmas of paying ransom for the painting's return, Isabel will face her first real criminals. The lawyers are distinctly suspect, and may be closely tied to the thieves—they may even be the thieves themselves. At the same time, she must confront the thorny issues of old friendships that have run their course and truth-telling in the provision of references.

*Friends, lovers, chocolate* Alexander McCall Smith, 2006 I Edinburgh møder Isabel Dalhousie en mand, der er hjertetransplanteret og nu plages af minder, han ikke selv kan forklare.

**The Novel Habits of Happiness** Alexander McCall Smith, 2015-07-21 The insatiably curious Edinburgh philosopher and amateur sleuth Isabel Dalhousie returns, taking on a case unlike any she's had before—this one with paranormal implications—in the eagerly anticipated new installment of Alexander McCall Smith's beloved and best-selling series. Through a mutual acquaintance, Isabel is introduced to a six-year-old boy who has been experiencing vivid recollections of a past life, which include a perfect description of an island off the coast of Scotland and a house on the island where he claims

to have lived. When the boy's mother asks Isabel to investigate, Isabel naturally feels inclined to help, and so she, her husband, Jamie, and their son, Charlie, set off for the island. To their great surprise, they actually locate the house that the boy described, which leads to more complicated questions, as Isabel's desire to find rational explanations comes up against the uncanny mystery unfolding before her. It's an extraordinarily delicate situation that will require all of her skills, as both sleuth and philosopher, to solve. Back home, as she begins to prepare the next issue of the Review of Applied Ethics, Isabel confronts a threat to her professional well-being in the form of two visiting academics—Lettuce and Dove—who she fears will be a destabilizing influence on her cozy perch in enlightened Edinburgh. But no matter the trials she faces, Isabel is blissfully content in her personal life, which is centered on her young son and devoted husband. Readers will be filled with happiness as they once again spend time with their beloved heroine and the people she holds dear.

**A Distant View of Everything** Alexander McCall Smith, 2017-03-23 Recently distracted by the arrival of her and Jamie's second son, Magnus, Isabel Dalhousie - philanthropic editor of the Review of Applied Ethics - is anxious. The next issue of the Review is far from ready, her eldest, Charlie, is jealous, and their housekeeper, Grace, has an officious approach to childcare. With some relief, Isabel returns to helping out at her niece Cat's delicatessen, where surely the most taxing duty is the preparation of sandwiches. It's not long before Isabel's helpful, philosophical nature draws her into customers' problems, specifically that of ambitious, self-proclaimed matchmaker, Bea Shandon. Bea has staged a potentially dangerous liaison involving enigmatic plastic surgeon, Tony MacUsraig, who may not be quite who he claims to be - and Isabel's help is required in getting to the truth of the matter. Good-hearted Isabel proceeds with her usual thorough attention to task, and on Bea's advice talks to her friend Rob, a trustworthy regular on Bea's dinner party circuit, and known to have deep suspicions about MacUsraig. It becomes clear, however, that Rob has an agenda of his own and Isabel is now contending with that, along with a mysterious medical condition of Jamie's and some frustrating dead ends when it comes to Bea's predicament. When the truth finally reveals itself, Isabel must conclude that along with MacUsraig, Bea, Jamie - and even Cat - she herself is not immune to misunderstandings, or the neurotic fantasies that arise from keeping secrets . . .

**The Sweet Remnants of Summer** Alexander McCall Smith, 2022-07-19 The latest Isabel Dalhousie novel finds our favorite moral philosopher is caught up in a delicate dispute between members of a prominent family as her husband, Jamie, is dragged into his own internecine rivalry. When Isabel is invited to serve on the advisory committee of the Scottish National Portrait Gallery, her husband, Jamie, expresses concern about the demands on her time. Never one to duck an obligation, however, Isabel says she'd be happy to join. There she meets a woman named Laura, whose husband—a prominent wine merchant from an illustrious family—and son are at odds. Laura asks whether Isabel might arbitrate between them. Isabel is reluctant to intervene in a familial drama but, always one for practical and courteous solutions to theoretical problems, she feels obligated to help. Will the demands on her moral attention never cease? Meanwhile, having criticized Isabel for getting

involved in the affairs of others, Jamie does precisely that himself. He's helping to select a new cellist for his ensemble but suspects that the conductor's attention may be focused on something other than his favored candidate's cello skills. Jamie feels it's important that the most qualified applicant gets the job—but how to determine whether the conductor has the right qualifications in mind? With so many complicated and fraught issues demanding their attention, Isabel and Jamie will have to tap deep into their reserves of tact and goodwill as they navigate the tricky and turbulent waters of these emotional matters.

*The Charming Quirks of Others* Alexander McCall Smith, 2010-10-12 The seventh installment in the beloved chronicles of Isabel Dalhousie finds our inquisitive heroine facing new intellectual challenges, but buoyed by her recent engagement to the nearly perfect Jamie. After having dinner with Jamie, Isabel is approached by a pair of old friends, asking her to help them in a rather tricky situation. A successor is being sought for the headmaster position at their alma mater. The board has four final candidates. They received an anonymous letter, however, alleging that one of them has a very serious skeleton in their closet. Could Isabel discreetly look into it? The answer is of course, yes. Although for Isabel the whole investigation is even more revealing: she finds herself attracted to one of the candidates, which complicates her life immeasurably because she is engaged to Jamie, the father of her young son. Dealing with issues of charity, forgiveness and humility, Isabel's most recent investigation is a revealing look at the need we all have to keep a little bit of ourselves hidden.

**Friends, Lovers, Chocolate** Alexander McCall Smith, 2006-08-29 The delightful second installment in Alexander McCall Smith's already hugely popular new detective series, *The Sunday Philosophy Club*, starring the irrepressibly curious Isabel Dalhousie — editor of the *Journal of Applied Ethics* — and her no-nonsense housekeeper, Grace. When Isabel's niece, Cat, asks Isabel to run her delicatessen while she attends a wedding in Italy, Isabel meets a man with a most interesting problem. He recently had a heart transplant, and is suddenly plagued with memories of events that never happened to him. The situation appeals to Isabel as a philosophical question. Is the heart truly the seat of the soul? And it piques her insatiable curiosity: could the memories be connected with the donor's demise? Grace, of course, thinks it is none of Isabel's business. Add to the mix the lothario Cat brings home from the wedding in Italy, who, in accordance with all that Isabel knows about lotharios, shouldn't be trusted . . . but goodness, he is charming. That makes two mysteries of the heart to be solved — just the thing for Isabel Dalhousie.

*The Uncommon Appeal of Clouds* Alexander McCall Smith, 2013-07-02 The ninth entry in the ever-delightful Isabel Dalhousie series Isabel, Jamie and Charlie are off to Highland Perthshire to visit an old schoolfriend of Isabel's, who married into a family of wealthy newspaper owners. The weekend is a success apart from one thing: Charlie witnesses a fox being shot by the estate manager, and is very upset. A few weeks later, the Edinburgh press reports a major art theft from the friend's Highland estate, including a valuable Dutch masterwork that was going to pay the estate tax. In helping her friend and the team of lawyers to negotiate the ethical dilemmas of paying ransom for the painting's return, Isabel will face her first

real criminals. The lawyers are distinctly suspect, and may be closely tied to the thieves--they may even be the thieves themselves. At the same time, she must confront the thorny issues of old friendships that have run their course and truth-telling in the provision of references.

**Isabel Dalhousie Book 16** Alexander McCall Smith, 2026-06-04

*The Novel Habits of Happiness* Alexander McCall Smith, 2016-08-23 The tenth book in this beloved author's consistently bestselling series featuring his insatiably curious, ever-delightful Edinburgh philosopher and amateur sleuth who now takes on a case like none she's had before: one with paranormal implications. From a small town outside Edinburgh comes the news that a young boy has been recounting vivid recollections of a past life: a perfect description of an island off the coast of Scotland which he couldn't possibly know, and a house there, where he claims to have spent his former life. When the boy's mother asks Isabel to investigate his claims, she feels she must--of course!--help them learn the truth, and she and Jamie set off for the island. But finding the house the boy described only leads to more complicated questions. And when they learn the tragic story of the family who lived there, Isabel is suddenly faced with a situation of extraordinary delicacy that will require all of her skills both as sleuth and philosopher. (Meantime, back in Edinburgh: Will an elderly lothario take Grace, her stalwart housekeeper, companion and babysitter, away from Isabel? Would Isabel be able to manage without Grace?)

The Geometry of Holding Hands Alexander McCall Smith, 2020-07-28 Isabel finds herself entangled in some tricky familial and financial situations that will require all of her kindness, charm, and philosophical expertise to navigate. Just when Isabel and Jamie finally seem to have some time to connect and unwind, a wealthy Edinburgh resident reaches out to Isabel with an unusual request—he would like her to become the executor of his large Highland estate. Though Isabel initially demurs, he presses on. He has only a short time to live, and, without any direct heirs, is struggling to determine which of his three cousins would be the best caretaker. Should it go to the bohemian artist, the savvy city property developer, or the quiet, unassuming bachelor? As if this weren't enough to keep Isabel occupied, she's also spending more time helping her niece Cat at the deli. Cat, perennially unlucky in love, seems to have finally found her match in the leonine Leo. But Isabel is beginning to suspect that Leo might be interested in more than Cat's charms, namely her access to the family trust. Isabel will need to rely upon remarkable reserves of intelligence and compassion in order to give all parties exactly what they want and deserve—no more, and no less.

**The Conditions of Unconditional Love** Alexander McCall Smith, 2024-07-16 In this latest installment of the beloved Isabel Dalhousie series, Isabel finds herself navigating tricky problems both public and personal “McCall Smith’s assessments of fellow humans are piercing and profound . . . [His] depictions of Edinburgh are vivid and seamless.” —San Francisco Chronicle Isabel Dalhousie, everyone's favorite moral philosopher, is once again called on to help navigate a decidedly delicate dispute with all of the insight and compassion she has become known for. What makes Isabel's

investigations so unique is her uncanny ability to view all sides of a situation with coolness and reserve — and she will tap deep into her stores of both in order to help see this one through. Meanwhile, Isabel and her husband Jamie will together be dealing with tricky personal issues of their own. Philosophical observations and humorous asides abound in this fifteenth installment of the beloved series.

**The Lost Art of Gratitude** Alexander McCall Smith, 2009-09-22 ISABEL DALHOUSIE - Book 6 Nothing captures the charm of Edinburgh like the bestselling Isabel Dalhousie series of novels featuring the insatiably curious philosopher and woman detective. Whether investigating a case or a problem of philosophy, the indefatigable Isabel Dalhousie, one of fiction's most richly developed amateur detectives, is always ready to pursue the answers to all of life's questions, large and small. The sensational sixth installment in the best-selling chronicles of the irrepressibly curious Isabel Dalhousie finds our inquisitive heroine and new mother racing two very troublesome people from her past. Isabel's son, Charlie, is only eighteen months, but his social life is already kicking into high gear, and it's at a birthday party, where Isabel is approached by Minty Auchterlonie, an old adversary and now a high-flying financier. Minty, it seems, is having trouble in her personal life, and seeks Isabel's help. To make matters worse, the anything but peaceable Professor Dove has accused Isabel's journal of plagiarism. There is also the ever-pressing question of the future of her relationship with Jamie. As always, she makes her way toward the heart of each problem by philosophizing, sleuthing, and downright snooping as only she can.

**Sweet, Thoughtful Valentine** Alexander McCall Smith, 2016-05-31 Philosopher and amateur sleuth Isabel Dalhousie has an unstinting commitment to her principles. Sticking to her promises has always been one of them. Then Isabel runs into an old classmate facing marital and financial troubles, who reveals a secret that becomes more and more difficult for Isabel to keep. Thankfully, Isabel's devoted husband, Jamie, is there to help our heroine navigate her competing moral obligations. Beautifully perceptive and witty, this original short story by Alexander McCall Smith shows Isabel calling upon all of her intelligence, charm, and tact. A Vintage Shorts Short Story Month Original Selection. An ebook short.

**The Comforts of a Muddy Saturday** Alexander McCall Smith, 2010-06-18 Isabel's incandescent curiosity is piqued when she is asked to help a professor of medicine who has been disgraced by allegations of scientific fraud concerning a newly marketed drug. Would a doctor with a stellar reputation make such a simple but grave mistake? If not, what explains the tragic accident that resulted in the death of a patient? An investigation is in order, especially since a man's reputation is in jeopardy, and a great deal of money is at stake for the pharmaceutical company involved. She's also occupied by the envy she feels in the face of Jamie's new friendship with the composer-in-residence at the University of Edinburgh. Whatever the case, whatever the solution, Isabel's combination of spirit, smarts, curiosity, empathy and unabashed nosiness guarantees a delightful adventure.

The Comfort of Saturdays Alexander McCall Smith, 2009 \* An intriguing new mystery for Edinburgh-based philosopher

Isabel Dalhousie.

book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Isabel Dalhousie Books In Order eBooks, including some popular titles.

### **FAQs About Isabel Dalhousie Books In Order Books**

**What is a Isabel Dalhousie Books In Order PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Isabel Dalhousie Books In Order PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of

printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Isabel Dalhousie Books In Order PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Isabel Dalhousie Books In Order PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Isabel Dalhousie Books In Order PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free

alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
