**Heart of Steel** Dan Lurie,David Robson,2009 Now is the time for the Gospel of the Kingdom to be preached! Mark 1:14 Jesus came into Galilee, preaching the gospel of the kingdom of God, notice he did not say, he came preaching the gospel of the church, but the gospel of the kingdom of God. We must transition from Church to Kingdom. There must be a paradigm shift from trying to multiply church membership to advancing the Kingdom. Kingdom living is not the norm! **Mike Mentzer** John Little,2025-05-20 Bodybuilding's foremost nonconformist and strikingly handsome intellectual, Mike Mentzer, rose to the top of his sport despite opposition from industry insiders like rival Schwarzenegger. Written by his close friend of two decades, Mike Mentzer: American Odysseus chronicles Mentzer's journey in a fiercely competitive world to become one of the most iconic bodybuilders of all time. REBEL. PHILOSOPHER. BODYBUILDING ICON. Mike Mentzer was a strikingly handsome man with a brilliant mind and a "perfect" physique — the first bodybuilder to receive a perfect score in

both amateur and professional competitions. In the late '70s, Mentzer rose to the very top of his sport (despite the efforts made by industry power brokers, such as Arnold Schwarzenegger), was featured in GQ magazine, and profiled on national television. But he was also a man who wrestled with mental illness his entire life and ended up living on the streets and being sent to prison. Just when it seemed his career was over, he found it within himself to reboot his intellect and revolutionize bodybuilding training, arguing bodybuilders should not forsake their mental development in favor of developing their bodies. He became a pariah in the fitness industry (which only cared about selling supplements and other products) but a hero to legions of fans who earnestly sought truth. *Mike Mentzer: American Odysseus* is the first biography of Mike Mentzer to appear in North America written by his close friend of 21 years, John Little, "one of the leading fitness researchers in North America" (*Iron Man* magazine). Drawing upon audio recordings, letters, diary excerpts, as well as interviews with those closest to him, this is the true story of one man who stood up to an entire industry — and paid the ultimate price.
