**Prosperity Meditations** Susan Shumsky, 2022-01-14 “Let Prosperity Meditations become your daily devotional reading. Read it. Use it. Explore it. And, expect miracles.” —Dr. Joe Vitale, author, Zero Limits A simple guide filled with affirmations and meditations to attract abundance, success, wealth, and creativity instantly! If you want to draw prosperity into your life, first abandon the idea that spiritual people must be poor. Prosperity Meditations can help you develop a new, fresh, optimistic, and empowering attitude about money. By using its methods, you can change your belief about prosperity and thereby draw greater wealth into your life on all levels: spiritual, emotional, mental, physical, material, environmental, and planetary. You have the power to create affluence in all areas of life—not just material. The Creator is waiting for you to open to the unlimited riches of heaven that are always available to you. All you need is to learn how to receive the boundless bounty that is your birthright. How does poverty help spiritual people fulfill their laudable, idealistic dreams and aspirations?

Wouldn't the world be a better place if spiritual people, who aspire to do good, had access to limitless wealth? Could you help heal the planet and lift people's consciousness if you had greater resources at your disposal? If you say yes, this book can help you manifest your fondest dreams and desires through the mental alchemy of meditation—a process that can change your mind, which, in turn, can change your life and thereby positively transform the planet.

Lakshmi Mantra Magick Baal Kadmon, 2015-10-17 The great Lakshmi, the goddess of wealth and fortune. She is renowned across all of India as the most beneficent goddess of the Hindu Pantheon. She not only bestows wealth and fortune in the material world, but also the spiritual. That is the beauty of Lakshmi. When you call upon her, she prepares you for wealth and fortune from the inside out. Often it happens very quickly and in some cases, it can take some time. In either case, she is very responsive. In this book, we will tap into the 8 manifestations of this great Goddess. These 8 emanations will help you achieve wealth and prosperity in more than one area of life. Unlike her some of her fellow goddesses, she is gentle. She is not a Kali or a Durga, she will approach you gently. We will discuss the idea of the divine feminine and then we will discuss Lakshmi in a bit more detail and then get right to business. Let us begin.

By sharing enchanting Hindu myths and astonishing true stories from his own practice, Ashley-Farrand helps us to understand the real power that this age-old art awakens in those who perform it. Through dozens of actual mantras—each one presented with phonetic spelling for easy pronunciation and recommendations for specific applications—he enables us to increase our “shakti” (power) and use it to solve problems, ensure abundance, create health and well-being, summon protection, and invoke personal and universal peace. Whether you’re new to chanting or an old hand, Shakti Mantras will take you places you’ve never been before . . . and measurably enrich your life.
