

Lymphangiectasie Chien Esprance De Vie

Evelyne Bussière

Lymphangiectasie intestinale chez le chien Evelyne Bussière, 2014 La lymphangiectasie intestinale est une affection retrouvée chez le chien qui peut être à l'origine d'une fuite de lymphe (et donc de protéines) dans la lumière du tube digestif. Lorsque ce phénomène est présent, la lymphangiectasie intestinale appartient au groupe des entéropathies exsudatives. L'objectif de notre étude était de décrire le profil anamnestique, clinique et diagnostique ainsi que la prise en charge thérapeutique de 19 chiens atteints de lymphangiectasie intestinale et de comparer ces données à celles issues de la littérature. Nous avons ensuite cherché à confronter, au sein de notre effectif, les chiens présentant des profils histologiques différents (prédominance de la lymphangiectasie intestinale, de l'infiltrat inflammatoire ou association des deux). Dans notre étude, les signes cliniques digestifs ne sont pas systématiques (absents dans 16% des cas) et certaines anomalies des examens sanguins sont peu retrouvées (hypocobalaminémie, hypocalcémie, hypomagnésémie). En revanche, notre travail semble confirmer l'impact négatif sur le pronostic d'une absence de réponse clinique après le début du traitement (perte de poids, persistance de signes cliniques, protéinogramme non normalisé). Lorsque la lymphangiectasie intestinale prédomine à l'histologie, on remarque une inconstance des signes cliniques généraux ou digestifs, une hypoprotéinémie et une hypoalbuminémie moins sévères que lorsque l'infiltrat inflammatoire prédomine, avec cependant un pronostic plus réservé (mortalité à court terme plus élevée). D'autres études sont nécessaires afin de valider ces hypothèses et ainsi progresser dans la prise en charge des chiens atteints de lymphangiectasie intestinale

Anomalie du système lymphatique chez le chien Maud Clavel, 2007

Lymphangiectasie Chien Esprance De Vie Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the energy of words has been evident than ever. They have the ability to inspire, provoke, and ignite change.
